# Auction Information

## Conditions of sale

The relationship between Bonhams and the buyer is subject to the general terms and conditions available on our website.

## Public viewing

In the case of online sales, the Lots are visible at their place of storage, by appointment only, made with the department concerned.

## Estimates

In most cases, an Estimate is printed beside the Entry. Estimates are only an expression of Bonhams|Cars opinion made on behalf of the Seller of the range where Bonhams thinks the Hammer Price for the Lot is likely to fall; it is not an Estimate of value. It does not take into account any VAT or Buyer's Premium payable. Lots can in fact sell for Hammer Prices below and above the Estimate. Any Estimate should not be relied on as an indication of the actual selling price or value of a Lot. Estimates are in the currency of the Sale.

## Bids

### Online auction

In the case of an online only auction, which is 100% online, bids are only made by Purchase Order through the Bonhams|Cars website. These auctions allow bids to be made until the scheduled end time for a particular Lot. The buyer with the highest bid at the end of the deadline wins the Lot. If a bid is made in the last 5 minutes of the sale, the sale of the Lot in question will be extended by 5 minutes from the last bid.

Whatever the form of the sale, any person wishing to bid will be required to fill in a registration form with Bonhams|Cars prior to the sale. They will provide Bonhams|Cars with proof of identity and bank details. The completed, signed and dated form will be given to Bonhams|Cars before the sale begins and a registration number will be assigned to each potential bidder.

Bonhams|Cars reserves the right, at its sole discretion and through the Authorised Auctioneer, to refuse participation in the auction to any person.

## Methods of Bidding

### Online Bidding: Watch the auction

online and submit real time bids from [www.bonhamscars.com/](http://www.bonhamscars.com/)

### App Bidding: Download now for android and iOS.

You will be required to provide a valid credit card in your name which must be verified before you are able to place bids.

If you are placing bids on behalf of a company, please ensure you indicate this when registering

To reach our Client Services Department for more information and for registration, please call +44 (0) 20 7447 7447 or email [bids@bonhams.com](mailto:bids@bonhams.com).

## Condition Reports

In respect of most Lots, you may ask Bonhams|Cars for a Condition Report on the Lot's general physical condition. If you do so, this will be provided by Bonhams|Cars on behalf of the Seller free of charge. As this is offered additionally and without charge, Bonhams|Cars is not entering into a contract with you in respect of the Condition Report and accordingly does not assume responsibility to you in respect of it.

The Condition Report represents Bonhams|Cars' reasonable opinion as to the Lot's general condition in the terms stated in the particular report, and Bonhams|Cars does not represent or guarantee that a Condition Report includes all aspects of the internal or external condition of the Lot. Neither does the Seller owe or agree to owe you as a Bidder or Buyer any obligation or duty in respect of this free report about a Lot, which is available for your own inspection or for inspection by an expert instructed by you.

## Starting price

The starting price is the starting point for auctions, and it is usually below the low estimate. It is fixed at the complete discretion of the authorised auctioneer. There is no link between the starting price and the reserve price.

## Buyer's premium Motor Cars and Motorcycles

Buyers are reminded that a Buyer's Premium is payable on the final Hammer Price of each Vehicle in the sale.

Bonhams|Cars will charge buyers a buyer's premium of 12% + local VAT on the final hammer price.

Bidders should note that this sale is expressly held on, and subject to, the Conditions of Sale in the auction notice which each bidder, by making a bid, automatically acknowledges that he or she has read, understood and accepted.

## VAT & Lots Under Customs Bond

Certain symbols are used to denote that additional VAT is due on the hammer price in addition to the buyer's premium. Please see the Lot Symbols Key for further information.

To submit a claim for refund of VAT, the local authorities require lots to be exported from the country sale within strict deadlines. For lots on which Import VAT has been charged (marked in the catalogue with a \* or Ω) lots must be exported within 30 days of Bonhams' receipt of payment and/or within 90 days of the date of the Sale, whichever is the earlier.

For all other lots, export must take place within 90 days of the sale date.

VAT at the prevailing local rate will be added to the buyer's premium which will be invoiced on a VAT inclusive basis. If you are planning to export please make the department aware.

Further export costs, duties and VAT may be applicable, depending on the country of destination.

The responsibility to meet these charges rest with the buyer.

## Damage

Any viewer who damages a Lot will be held liable for all damage caused and shall reimburse Bonhams|Cars or its agents for all costs and expenses relating to rectification of such damage.

## Vehicle Keys and Historical Documents

All available history files are accessible for inspection during the view. All available registration documents are held within a separate file at the Bonhams|Cars offices.

Vehicles are offered with and without keys and documents. It is the buyers responsibility to inspect the lot at the viewing to satisfy themselves as to the completeness, integrity and presence of keys, spares and documentation. The online catalogue will not necessarily list such items.

## Conditions of Sale

We recommend you read carefully the Conditions of Sale available on our website under which this Sale is conducted.

Bonhams|Cars strongly encourages interested bidders to perform their own due diligence inspecting lots on offer by attending the preview or by scheduling a virtual preview appointment with a specialist. Please contact the department for inquiries and scheduling.

## LOT SYMBOLS KEY

Ω Omega: This Lot has been shipped from outside Switzerland. Please note that if this vehicle is to be imported into Switzerland, Swiss Customs charges (Car Tax, VAT and a Customs Administration Fee) will apply totalling roughly 13% of the Purchase Price (Hammer + Buyers Premium). Swiss Car Tax at 4% shall be calculated on the total Purchase Price. Swiss VAT (8.1%) will then be applicable on the aggregated amount of the Hammer Price, Buyer's Premium and Swiss Car Tax. There will equally be a charge for the customs clearance procedure. Please note that customs rates to other countries shall vary. This vehicle will not be available for immediate collection after the sale and will only be released on completion of customs clearance. If you have any questions regarding customs clearance, please contact the Bonhams|Cars Department or our recommended shippers.

† Dagger: Lots offered by a company liable to VAT and will have local VAT being applied on the Hammer Price.

P Purple Paddle Lots / Restricted Bidding: Please note that special formalities are required should you wish to bid on Lots marked with this symbol P. Contact Client Services at +44 (0) 20 7447 7447 or [bids@bonhams.com](mailto:bids@bonhams.com) in advance of the sale. Please also note Online Bidding is not available for these Lots, unless pre approved before the sale, although we are pleased to offer a bidding by telephone service should you wish to bid remotely.

# Post Auction Guide and Collections

Payments made by anyone other than the registered Buyer will not be accepted. Bonhams|Cars reserves the right to vary the terms of payment at any time.

Bonhams|Cars preferred payment method is by bank transfer. You may electronically transfer funds to our Trust Account. If you do so, please quote your paddle number and invoice number as the reference. Our Trust Account details are as follows:
