Our Client Services team is available to assist prospective buyers with the registration process in advance of the auction. All registration requirements must be met and documentation provided timely prior to the auction in order for bidding to be authorized with an assigned bidder number. Registration requirements include completing our Registration Form, providing a current driver's license or passport identification, a secondary article with matching name, proof of residence, a bank reference and dealer license, if applicable. Examples of bank references can be found in the back of this catalog.

By registering to bid at auction, registrants agree to be bound by Bonhams' Conditions of Sale provided in the back of the auction catalog and on Bonhams' website.

BIDDING METHODS

In Person Bidding: Registered bidders are permitted to bid in person while following Bonhams' requirements for mask wearing and social distancing.

Online Bidding: Watch the auction online and submit real time bids. Please see the Legend on Page 3 for additional information.

Telephone Bidding: Bid via telephone during the auction with a Bonhams representative. To ensure availability, telephone bids must be arranged 24 hours prior to the auction. Bonhams will phone the bidder several lots in advance and will execute bids upon instruction by the bidder.

After an Absentee Bid Form is completed in advance of the auction, a Bonhams' representative will execute the bid on behalf of the client, buying the lot either under or at the maximum bid and against other bidding and reserves.
