NOTICE TO BIDDERS

This notice is addressed by Bonhams to any person who may be interested in a Lot, and to all persons participating in the auction process including auction attendees, Bidders and potential Bidders (including any eventual purchasers of any Lot). For ease of reference we refer to such persons as “Bidders” or “you”. Our List of Definitions and Glossary is incorporated into this Notice to Bidders. It is at Appendix 3 at the back of this Catalogue. The information and details provided in this notice which are in the List of Definitions, are printed in italics.

IMPORTANT: Additional information applicable to the Sale may be set out in the Catalogue or any insert in the Catalogue or in a notice displayed at the Sale venue and you should read them as well. Announcements affecting the Sale may also be given orally before and during the Sale without prior written notice. You should be alert to the possibility of changes and ask in advance of bidding if there have been any.

1. OUR ROLE

It is not for Bonhams, as your Auctioneer, or the Seller, whose job it is to sell the Lot at the highest price obtainable at the Sale to a Bider. Bonhams does not act for, or on behalf of, Buyers or Bidders and does not give advice to Buyers or Bidders. When it or its staff makes statements about a Lot or if Bonhams provides a Condition Report or a Lot it is doing that on behalf of the Seller. The Lot is sold to the highest bidder on the Seller’s behalf and, where necessary, on its behalf and save where we expressly make it clear to the contrary, Bonhams acts only as agent for the Seller. Any statement or representation made by or on behalf of Bonhams is made by the Seller’s agent on the Seller’s behalf, whether in writing or orally, and it is for you to satisfy yourself as to each and every aspect of a Lot. Illustrations may not reflect an accurate reproduction of the colour(s) or condition of a Lot. A photograph or any other form of illustration may not reflect an accurate reproduction of the colour(s) or true condition of the Lot. Lots are available for inspection prior to the Sale and it is for you to satisfy yourself as to each and every aspect of a Lot, including its authenticity, condition, provenance, history, background, authenticity, style, period, age, suitability, quality, roadworthiness (if relevant), origin, value and estimated selling price (including the Hammer Price). It is your responsibility to examine any Lot in which you are interested. It should be remembered that the actual condition of a Lot may not be as good as that which appears from its outward appearance. Buyer beware! Lots may have been replaced or renewed and Lots may not be authentic or of satisfactory quality; the inside of a Lot may not be visible and may not be original or may be damaged, for example by wear, by conservation or by abuse of material. Given the age of many Lots they may have been damaged and/or repaired and you should not assume that a Lot is in good condition. Electronic or mechanical components are sold for artistic, historical, or cultural interest and may not operate or may not comply with current statutory requirements. You should not assume that electrical items designed to operate on mains electricity will be suitable for connection to the mains electricity supply and you should obtain a report from a qualified electrician on their status before doing so. Such items which are unsuitable for connection are set as items of interest for display purposes only. If you yourself do not have expertise regarding a Lot, you should consult someone who does to advise you. We can assist in arranging facilities for you to see a Lot. Please ask our staff for details. Any person who damages a Lot will be held liable for the loss caused.

2. DESCRIPTIONS OF LOTS AND ESTIMATES

Contractual Descriptions of Lots

The Catalogue contains an Entry about each Lot. Each Lot is sold by its respective Seller. Only information regarding the Seller is given in the Catalogue. The details of the Lot as printed in bold letters, represents Bonhams’ opinion (given on behalf of the Seller) about the Lot only and is not part of the Contractual Description in accordance with which the Lot is sold by the Seller.

Estimates

In most cases, an Estimate is printed beside the Entry. Estimates are only an expression of Bonhams’ opinion made on behalf of the Seller of the value of the Lot as corresponding only to that Lot as it may be sold at the Sale and is not a representation or warranty of value by Bonhams; it is not a guarantee; it is not an offer to sell at a stated price; it is not an obligation to sell; it is not an indication of preparedness to sell; it is not a representation of the maximum price at which the Seller is likely to sell; it is not an Estimate of value. It does not take into account any VAT or Buyer’s Premium payable or any other fees payable by the Buyer, which are detailed in paragraph 7 of the Notice to Bidders, below. Prices depend upon bidding and lots can sell for Hammer Prices below and above the Estimates, so Estimates should not be relied on as an indication of the actual selling price or value of Lots. Estimates are in the currency of the Sale.

Condition Reports

In respect of most Lots, you may ask Bonhams for a Condition Report on the Lot’s general physical condition. If you do so, this will be provided as a reference and do not accept any responsibility for any errors which may occur in the use of the screen.

Neither we nor the Seller will be liable for any loss of Business, profits, revenue or income, or for loss of reputation, or for disruption to Business or wasted time on the part of management or staff, or for indirect losses or consequential damages of any kind, irrespective in any respect of the nature, volume or source of the loss or damage alleged to be suffered, and irrespective of whether the said loss or damage is caused or claimed in respect of any negligence, other tort, breach of contract (if any) or any statutory duty, restitutory claim or otherwise. In any circumstances where we or/and the Seller are liable in relation to any Lot or any Description of a Lot or any Estimate made of a Lot, or in case of any Lot in relation to any Lot, whether in damages, for an indemnity or contribution, or for a restitutory remedy or otherwise, or our and/or the Seller’s liability (combined, if both we and the Seller are liable) will be limited to payment of a sum which will not exceed by way of maximum the amount of the Purchase Price of the Lot irrespective in any case of the nature, volume or source of loss or damage alleged to be suffered or sum claimed as due, and irrespective of whether the liability arises from any negligence, other tort, breach of contract (if any) or any statutory duty or otherwise. condition and without defects, repairs or restorations. Most clocks and watches have been repaired in the course of their normal lifetime and may now incorporate parts not original to them. Furthermore, Bonhams makes no warranty with regard to the clock or watch in its working order. As clocks and watches often contain fine and complex mechanisms, Bidders should be aware that a general service, change of battery or repair may be required, for which the Buyer is solely responsible, may be necessary.

17. FIREARMS – PROOF, CONDITION AND CERTIFICATION Proof of Firearms

The term “proof exemption” indicates that a firearm has been examined at a Proof House, but not proved, as either (a) it was deemed of interest and not intended for use, or (b) ammunition was not available. In either case, the firearm must be regarded as unsafe to fire unless subsequently proved. Firearms proved for Black Powder should not be used with smokeless ammunition.

The term “Certificate of Unprovability” indicates that a firearm has been examined at a Proof House and is deemed both unsuitable for proof and use. Proof is required before any such firearm is to be used.

Guns Sold as Parts

Barrels of guns sold as parts will only be made available for viewing and measurements once rendered unserviceable according to the Gun Laws of 1863 and 1878 and the Rules of Proof.

Condition of Firearms

Comment in this Catalogue is restricted, in general, to exceptional condition and to those defects that may affect the immediate safety of a firearm in normal use. An intending Bidder unable to make technical examinations and assessments is recommended to seek advice from a gunmaker or from a modern firearms specialist. All prospective Bidders are advised to consult the proof of bore and wall-thickness measurements posted in the saleroom and available from the department. Bidders should note that guns are proofed only where there is a strong indication of a mechanism of exhaustion. Stripping is not, otherwise, undertaken. Guns intended for use should be stripped and cleaned beforehand. Hammer guns should have their rebound mechanisms checked before use. Safeties and other mechanisms of all guns must be tested before use. All measurements are approximate.

Original Gun Specifications Derived from Gunmakers

The Sporting Gun Department endeavours to confirm a gun’s original specification and data of manufacture with makers who hold their original records.

Licensing Requirements

Firearms Act 1968 as amended

Bonhams is constantly reviewing its procedures and would remind you that, in the case of firearms or shotguns subject to certification to conform with current legislation, Bonhams is required to see, as appropriate, your original registered firearms dealer’s certificate / shot gun certificate / firearm licence / Section 5 authority or import licence (or details of any exemption from which you may benefit, for instance Crown servant status) for the firearm(s) you have purchased prior to taking full payment of the amount shown on your invoice. Should you not already be in possession of such an authority or exemption, you are required to initially pay a deposit of 95% of the total invoice with the balance of 5% payable on delivery by the client.

20. PHOTOGRAPHS

Explanation of Catalogue Terms

“Bill Brand”: means a work by the artist.

“Attributed to Bill Brand”: in our opinion probably a work by the artist, but less certainty to authorship is expressed than in the preceding category.

“Signed and/or titled and/or dated and/or inscribed”: in our opinion the signature and/or title and/or date and/or inscription are in the hand of the artist.

“Signed and/or titled and/or dated and/or inscribed in another hand”: in our opinion the signature and/or title and/or date and/or inscription have been added by another hand.

The date given is that of the image (negative). Where no further date is given, this indicates that the photographic print is vintage 5-10 years of the negative. Where a second, later date appears, this too is our opinion to the date of manufacture with makers who hold their original records.
