Swiss company Zenith were founded in 1865 in Le Locle, Neuchatel and manufactured pocket watches for much of the 19th century. Moving into wristwatches along with most manufacturers in the second quarter of the 20th century, the brand is perhaps best known for introducing the first automatic chronograph movement to market in 1969. In this, they narrowly beat both Seiko and a consortium including Breitling and Hamilton to the finish line.

Housed within the El Primero wristwatch, the calibre 3019 movement and its successive iterations were, and still are, highly-respected. The movement has been used by many brands including Rolex in their Daytona, until as recently as 2000. The current lot is one of the Chronomaster line, one that pays homage to the original El Primero wristwatch. It features an 18ct rose gold case with a semi-skeletonised dial revealing the in-house calibre 4021 movement within. The 4021 is of course a version of that famous first automatic chronograph movement, with the addition of a power reserve indication complication.

For details of the charges payable in addition to the final Hammer Price of each Lot please refer to paragraphs 7 & 8 of the Notice to Bidders at the back of the catalogue.

Harry Winston was an American jeweller who opened his eponymous store in New York in 1932. Initially inherited by Harry's two sons, the company is now owned by Swatch Group, and retails watches as well as jewellery. Their watchmaking story began in 1989 with Harry's introduction of the Premier. Solely aimed at women, the model is one of the brands most recognisable models. In 2007, with the opening of a dedicated watchmaking facility, the brand expanded its watchmaking output and with that, the range of Premier models. This lot features an 18K rose gold case set with diamonds housing an automatic movement, on a satin strap with signed diamond-set clasp.

US$51,000 - 76,000

The Beta-21 was developed by the Centre Electronique Horloger formed by Omega together with approximately 20 other Swiss watch companies including Piaget, Rolex and Patek Philippe in 1969. The Beta-21 movement was accurate to 5 seconds per month, which was superior to any other automatic and manual wind watch at the time.

In 1970 Rolex released the reference 5100, housing the Beta-21 in a 40mm solid gold case. Whilst Rolex never confirmed production numbers it is rumoured that only 1000 pieces were made, with 900 in yellow gold and 100 in white gold. This very limited run makes the current example a very rare opportunity to be a part of the 'Rolex Quartz club'

£40,000 - 60,000
€48,000 - 72,000
US$51,000 - 76,000

Despite being known as the Moon Watch today, the Speedmaster was initially Omega's take on a chronograph wristwatch to be worn and used by racing drivers, originally released in 1957.

The current lot features a 'Racing Dial', recognisable by the 'alternating' minute track to the outside. Unlike most minute tracks, this iteration is split into intervals that protrude in and out from the dial edge. They take this particular form in order to make them as visible and easily-readable at a glance as possible, handy for the driver or navigator using it for its intended purpose.

The 145.012 Red Racing Dial Speedmaster is one of the rarest Omega watches ever produced. So rare are they that at one point they were assumed to be prototypes that mistakenly left the factory. There are two types, one with 'Professional' to the dial and one without, referred to as 'Pre-Professional.' This example is a Professional and recent estimates put the total production numbers for this iteration at just 5-10. Alongside the white alternating minute track, it is the red hour markers, teamed with red hands, which marks out these incredibly rare watches.

This example comes from the son of the original owner. As he recounts it, his father was prompted by his employer to visit a jeweller of his choice to select a watch thanking him for 50 years of service. On attending a small family-run jeweller in Hamilton, a town in the west of Scotland, he chose the Speedmaster, unaware of its rarity, as was the jeweller presumably. He wore the watch frequently, eventually leaving it to the vendor who kept it in a drawer for approximately forty years until early 2024.

Complete with box and International Guarantee, this lot presents a wonderful opportunity to own an incredibly rare and very significant piece of Omega history.

For details of the charges payable in addition to the final Hammer Price of each Lot please refer to paragraphs 7 & 8 of the Notice to Bidders at the back of the catalogue.

ROLEX. A FINE AND VERY RARE PLATINUM DIAMOND SET AUTOMATIC CALENDAR BRACELET WATCH
Model: Datejust Ovettone
Reference: 6304
Date: Circa 1955
Movement: 18-jewel Cal.745 automatic, No.99698, H46452
Dial: Black, applied diamond set hour markers, white outer 1/2 second divisions, magnified date aperture at 3, polished baton hands, centre seconds

Accompaniments: *Rolex pouch*

£40,000 - 60,000
€48,000 - 72,000
US$51,000 - 76,000

The references 6304 and 6305 were both introduced around 1953 and were manufactured in small quantities. Ref:6305 featured a reeded/fluted bezel and 6304, as with the current lot, a smooth bezel. These models were nicknamed Ovettone due to their egg-shaped cases.

The current example is a rare combination of platinum, diamond hour markers and a black dial. The dial has historically been sympathetically refinished and still retains its charm and striking appearance. A comparative 6304 with diamond set hour markers was offered for auction earlier in 2024 with a case number in a similar range to the current example at 102956.

This particular watch was a gift to the current owner by his wife.

Before Patek Philippe introduced models designated by reference numbers, watches were made with movement serial numbers and calibres being the differentiation between the types of watches made. The present lot, a well preserved rectangular watch, is accompanied by an Extract from the Archives, confirming that the movement was made in 1925 and sold in December 1940. In addition to the Extract, the back of the watch bears the key stamp 8 indicating that the case was made by François Markowski, renowned for crafting many of the brand's iconic rectangular case designs such as the reference 1450 and 425.

CARTIER. A LADY'S RARE PLATINUM AND DIAMOND SET MANUAL WIND BRACELET WATCH OFFERED ON BEHALF OF THE FAMILY OF THE ORIGINAL OWNER
Date: Circa 1930
Movement: 17-jewel manual wind
Dial: Silvered, black Arabic numeral hour markers, black inner minute divisions, blued steel spade hands
Case: Brushed and polished rectangular form, back secured by 2 screws, diamond set bezel and lugs, back winding, No.22824
Strap/Bracelet: Platinum diamond set link
Buckle/Clasp: 9K white gold folding clasp
Signed: Dial, movement signed European Watch and Clock Company
Size: 6mm x 30mm

£8,000 - 12,000
€9,600 - 14,000
US$10,000 - 15,000

The 1930s was a decade of tremendous creativity and technical innovation for Cartier. The strong, colourful Indian, Persian and Oriental inspired designs, which had dominated jewellery of the early 20th century, were starting to be substituted by a diamond and single coloured gemstone palette which found favour by 1935. This was also reflected in the stone set watches they produced of the period including the present lot, offered for auction on behalf of the family of the original owner.

The deceptively simple design of this cocktail watch, which also follows the 1930s move towards a pure "white" look, is belied by the combination of differently cut stones, in a number of different settings. Utilising brilliant, single and baguette cuts, there are approximately 4.5cts of diamonds. At nearly 100 years old, this charming timepiece is as elegant now upon the wrist as when it was first purchased by the Great Aunt of the current owner.

The family recall the original owner as an exceptionally elegant woman with a great generosity of spirit. A beautiful person inside and out, she was a true lady in every sense of the word.

For details of the charges payable in addition to the final Hammer Price of each Lot please refer to paragraphs 7 & 8 of the Notice to Bidders at the back of the catalogue.

Patek Philippe's Calatrava model has been a staple within the brand's lineup for around 100 years. The name has been given retrospectively to the earliest of these elegant yet understated watches but was only officially adopted by the brand in the 1980s. The Calatrava was first released in 1932, coinciding with Patek's purchase by the Stern family.

The current example dates to 2008 and features a mother of pearl dial to the smaller 31mm case, set with diamonds to the bezel. Powered by the in house calibre 215 manual wind movement, it comes complete with box and papers.

The Pasha collection was launched in 1985 and the legend goes that it was named as a tribute to the Pasha of Marrakesh, a lifelong Cartier client. Created by Gerald Genta, the watch was hugely distinctive with the cabochon set crown secured by a chain connected to the case.

While Patek Philippe is famous for its work with enameling, Cartier has also delved into this artform to create some truly incredible timepieces. On the current example a leopards head is presented with enamelled spots and green eyes. The enamel on this is truly spectacular and has the same mottled, rich look of bloodstone.

The current example is from a limited edition of just 20 timepieces making this a very rare opportunity to acquire one of these special pieces.

The Audemars Piguet Royal Oak series is regarded by many as the quintessential sports watch. The iconic design revered by horological connoisseurs is instantly recognizable with its structured strongbox case with structurally integral octagonal bezel secured by eight hexagonal screws. In 1993, Audemars Piguet took the next step in the evolution of the Royal Oak with the introduction of the Royal Oak Offshore Ref:25721ST.

The current lot was originally designed for Audemars Piguets female audience and although smaller than the 42mm you find with the Ref:25721ST, it is still a substantial 37mm case. The combination of the deep plum purple dial, diamond set bezel and plum strap present a rich and luxurious timepiece. With changing times come changing attitudes and this particular example strikes as a piece that is very much unisex nowadays.

De Bethune was founded in 2002 by David Zanetta and Denis Flageollet after they both spent time working at Techniques Horlogères Appliquées. THA was founded by F.P Journe in the 1980's and created high end movements for brands such as Breguet and Franck Muller. After striking out on their own, Zanetta and Flageollet decided to name their brand after Chevalier De Bethune, a French nobleman who was credited with inventing an escapement for pocket watches in the 1700's.

The DBS was first created as a prototype for the 2005 Only Watch auction. Since the model's introduction it has been available in platinum, rose gold and white gold such as the current example. The most striking feature of the watch is the 3D spherical moon phase which has gone on to become an iconic complication for the brand.

Inspired by the great watch makers of the 18th century, Francois-Paul Journe invented a watch movement which is based on the physical principle of resonance: a phenomenon simultaneously scientific and poetic.

Every object has a natural frequency at which it vibrates when force is periodically applied. If this happens to two objects which have a naturally corresponding frequency, it magnifies and stabilises the vibration of both objects.

The double balance system employed in the Chronomètre à Résonance uses exactly this phenomenon to create a watch movement which even 20 years after its inception is unparalleled in its accuracy in timekeeping.

In 1932, the year the Stern Family became the owners of Patek Philippe, the Ref. 96 was launched. With its timeless proportions that pay homage to the era's Bauhaus, Art Deco, and Modernism styles the watch remains as stylish today as when it was first designed. It is quintessentially 1930s and yet effortlessly contemporary.

Patek Philippe produced the reference 96 for four decades from 1932 to 1973. It was not only the first of the well loved Calatrava line of dress watches but was also the first model to be marked by a numbered reference by Patek. The model was later replaced by the reference 3796.

The current example is a 'pink on pink' featuring a salmon pink dial and an 18K rose gold case - a highly desirable combination for any collector.

In 1942 Patek Philippe launched the reference 1543 which was in production for around 8 years. The cases were made by F. Baumgartner and the dials by Stern Freres. The dials can be split into two main categories - silvered and pink metal. They all typically had long thin indexes and deco stylised radial Arabic 3, 9 and 12 hour markers. The current lot represents an early example with the hour markers, signature and subsidiary dial all hard enamelled giving it a longevity other metal dials do not have.

The 1543 was produced in a very small volume and it is believed there are around only 30 examples in yellow gold and then 15 in rose gold.

£18,000 - 22,000
€22,000 - 26,000
US$23,000 - 28,000

The Kew A Certificate watches are some of the rarest series watches made by Rolex. Since every one was numbered and listed separately, we know exactly how many were produced and that only 136 successfully passed through to attain the coveted 'KEW A' Certificate. The test is carried out over 45 days and includes temperature fluctuations and was designed by the Royal Navy for ship's chronometers.

Rolex made a very special effort to obtain these results and the watches were specially made for the tests. Using a 10-1/2 ligne 700 calibre base movement, unusually in pink gilt, with a completely re-calibrated escapement and reworked nickelled balance bridge. They used a Nivorox freesprung and exceptionally fine balance with a Breguet overcoil creating the calibre known to Rolex as the 720. This project was overseen by one of the best 'regulators' of the time, Jean Matile, who obtained various records from 1925, including the Neuchatel best ever result for a wristwatch with 8.4 points and the astonishing 93.8 points at Kew also for a wristwatch movement.

Size: 36mm

£40,000 - 60,000
€48,000 - 72,000
US$51,000 - 76,000

The 6105 is one of the earlier Datejust references, a model which has now been in existence for nearly 80 years. It was this reference, along with the 6104, that we first start seeing the word Datejust on the dial.

The current example features a Swiss only dial, as opposed to Swiss Made and the Officially Certified Chronometer is displayed across two lines. More interestingly, however, is that the wording of Datejust appears in the colour red. Correct for the period this lot also features a date wheel in just red, perhaps even one of the last fully red ones before the date wheels became predominantly roulette ones for the rest of the 50s.

The thin milled or reeded bezel associated with this reference would evolve into the fluted bezel iconic to the modern day Datejust. The 6105 also has the nickname of Ovettone due to its egg-shaped case.

The current owner has had the piece for over 25 years and has worn it infrequently.

Piaget have produced an interesting range of hard stone and semi-precious dials throughout the decades - malachite, tiger's eye, onyx, lapis lazuli and opal, as with the current lot, spring to mind immediately. But even though the looks of these different stones can give a completely different feel to the design of a watch, there is one thing they all have in common. Hard stone dials are always a challenge to produce and do not change over time. The current example features an asymmetric cushion form case with a black opal dial surrounded by a fan of diamonds. It is offered on behalf of the original family and has not been offered at auction before.

Following the emergence of the wristwatch in the early 20th century, Cartier has been responsible for a number of watches that we now consider to be design icons. Many of the more distinctive models came from Cartier's London workshops during the 1960s and 70s. One is the Crash, originally released in 1967, in a very limited run of around ten pieces after a request for a bespoke watch by actor Stewart Granger. Following that initial run, there have been a small number of further releases including one of around 400 featuring white gold examples retailed by the Paris boutique in the 1990s. The current lot is a model 2463 dating to around 2000; examples from this iteration are often found in rose gold and set with diamonds, as this one is. Very rare to auction, it comes on a Cartier grey satin strap with signed 18K rose gold clasp.

The Chronomat was first designed in the early 1980s by Ernest Schneider to meet the needs of the renowned Italian Frecce Tricolori Jet team. Iconic to the design are the rider tabs on the bezel which were put in place to protect the glass. Schneider observed that often pilots would give their watches a heavy knock on the metal frame when they exited their aircraft.

It was then in 1984 for the 100th Anniversary of Breitling that the model was officially launched to the wider public.

The Audemars Piguet Royal Oak series is regarded by many as the quintessential sports watch. The iconic design revered by horological connoisseurs is instantly recognizable with its structured strongbox case with structurally integral octagonal bezel secured by eight hexagonal screws. In 1993, Audemars Piguet took the next step in the evolution of the Royal Oak with the introduction of the Royal Oak Offshore. The first Offshore reference was the 25721ST and the larger dimensions of the watch earned it the nickname 'The Beast'. Over the years Audemars Piguet have released numerous modifications to the model whilst maintaining the key elements conceived first in the 70s by Genta and then in the 90s by Emmanuel Gueit.

The first version of this Carrera reference 3147 had a date window positioned at 12 o'clock indicating the date with red numerals and featuring the same two sub dials configuration as the Carrera 45 and was only produced for one year.

In 1997, Patek Philippe introduced the Aquanaut Ref:5060, the first watch with a "tropical" rubber strap, launched at the same time as the 20th anniversary of the Nautilus model. The next year, they introduced the Aquanaut Ref:5065 'Jumbo', which had a larger case of 38mm in diameter. The 5065 was a popular model that combined sportiness and luxury with a similar design to the Nautilus. In 2007 it was replaced by the Aquanaut Ref:5165 and Ref:5167.

The most noticeable difference presented in the 5165 was the gentler, rounder grooves to the dial that complement the shape of the case. Attention was also paid to how the rubber strap aligns to the case to make a smoother transition between the materials. The 5165 was in production for just 5 years before being discontinued in favour of its counterpart the 5167.

The current lot, a Ref:5165A, benefits from a recent service at Patek Philippe in May 2023 and is still in sealed service condition.

Patek Philippe produced the reference 5040 from 1992 until approximately 2007. This complicated perpetual calendar is a highly recognisable timepiece with its striking dial, applied numerals and unique tonneau shaped case. Housed within this present reference is Calibre 240 Q, which was discontinued after over two decades of production. Calibre 240 Q can be found also in the ever popular Reference 3940 perpetual calendar, which was produced in much greater quantity than this rarer Reference 5040, hence increasing collectability of the latter.

The earliest diamond set Daytonas were manufactured in the 1980s with the References 6269 and 6270. In the early 2000s when diamond set watches came to be the height of fashion once again, the company created a series of exceedingly rare gem set chronographs.

The current lot is presented in yellow gold with a diamond set dial and 24 baguette diamonds to the bezel. The 116568BR is also powered by the in-house calibre 4130. This calibre has fewer components compared to other chronographs making it more reliable and offers additional space for a mainspring to increase the power reserve from 50 hours to 72 hours.

In early 1999, Richard Mille and Dominique Guenat partnered with the legendary Audemars Piguet. They had one common goal, to push the Luxury Swiss hand-made watches to the very top of technical innovation. After three years of intensive research and multiple prototypes, Richard Mille launched their RM 001 Tourbillon at Baselworld 2001. It had a phenomenal response from the public. While the RM001 didn't feature any precious metal or gemstones, it was solely the stunning movement and the calibre technology that truly impressed the watch world. This design language has continued through the last 20 years and the influence of the automotive world can be seen as a great inspiration to many of their pieces. However, it is not just the subtleties of motoring that have appealed to Richard Mille; over the years the brand have also partnered with other sporting fields such as their celebrated relationship with Rafael Nadal and in the case of the current lot, the world of yacht sailing.

The RM015 was specially selected as the official timekeeper of the Perini Navi Cup, one of the most prestigious regattas in the world. Inspired by the famed sailing vessels created by the Italian yacht builders Perini Navi of Viareggio, the RM015 draws inspiration from the visual elements and nautical details found on one of Perini Navi's most exceptional creations – the Maltese Falcon. The decks, hull shape, windlass, pulleys, screws and various marine details of that ship are echoed in the watch's case outline, shape of the crown, tourbillon, winding barrel bridges and titanium screws of the case.

Richard Mille have always been known for their cutting edge use of materials and complications and the current example embodies this perfectly. The movement features a baseplate made of carbon nanofiber which is 'amorphous, chemically neutral and dimensionally stable within a whole range of temperatures'. It has an impressive 75 hour power reserve and sitting between 3 and 4 o'clock is a torque indicator ensuring that the movement performance is optimised. If that was not enough, this model also features a dual time indicator, one minute tourbillon and a function selector located in the centre of the crown.

The RM015 is a rare model to obtain in itself but the current lot takes this to another level. Accompanied with the watch is a letter from Richard Mille stating that this is the first and only example of the model to feature a diamond set top case. As such this is an exceptionally rare opportunity to own a very exclusive and unique Richard Mille.

Today, Richard Mille watches are worn by watch enthusiasts all over the world and one does not need to be a renowned athlete to embrace and appreciate the horological craftsmanship and mastery that they represent.

In 1998, Cartier paid homage to its classic heritage by introducing the Collection Privée Cartier Paris, a limited series showcasing timeless designs with traditional mechanical movements from the previous century. The Collection Privée, or CPCP, marks a transitional period in Cartier's watchmaking history. After several years of focusing mainly on lady's quartz watches, Cartier delved into their archives and brought back historic designs that hadn't been in production for many years. The focus of the CPCP was on high quality design, movements and craftsmanship. This exclusive series produced in limited numbers until 2008 included the Crash, Chinoise, Obus, Tank Cintrée and Asymétrique to name a few.

The original Cartier Tortue first appeared in the brands' repertoire over a century ago after Louis Cartier first designed the piece in 1912. French for turtle, the Tortue has a gently curved case and traditionally was a time-only piece. In 1999, as part of the CPCP, Cartier introduced the Tortue Monopoussoir which houses the calibre 045MC by THA Ebauche. THA Ebauche was the brainchild of the soon to be superstars of the independent world, Vianney Halter, Denis Flageollet and Francois-Paul Journe. It is no wonder then why in the past few years CPCP models have been gaining popularity among collectors, especially as neo-vintage watches gain more traction in the market.

In 2020 they released their UR-220, a successor to the UR-210, a watch that presented the time in a new and unique form. Hours are displayed on terminals to rotating arms, with minutes shown on a retrograde arc below. The UR-220 offers a lighter case, created using pressed carbon, housing a smaller in-house movement, this time manual wind instead of automatic.

It is one of the very few watches that were produced in the rare metal tantalum which is known for its difficulty to be crafted and fashioned. Tantalum is intrinsically a grey-blue in colour which Journe capitalises on by pairing with a rich blue dial which refracts the light. This combination makes a very appealing yet dignified look on the wrist and makes for a highly wearable watch for such an artisanal timepiece.

NOTICE TO BIDDERS

This notice is addressed by *Bonhams* to any person who may be interested in a *Lot*, and to all persons participating in the auction process including auction attendees, *Bidders* and potential *Bidders* (including any eventual *Buyer* of the *Lot*). For ease of reference we refer to such persons as *"Bidders"* or "you". Our List of Definitions and Glossary is incorporated into this *Notice to Bidders*. It is at Appendix 3 at the back of the *Catalogue.* Where words and phrases are used in this notice which are in the List of Definitions, they are printed in italics. IMPORTANT: Additional information applicable to the *Sale* may be set out in the *Catalogue* for the *Sale*, in an insert in the *Catalogue* and/or in a notice displayed at the *Sale* venue and you should read them as well. Announcements affecting the *Sale* may also be given out orally before and during the *Sale* without prior written notice. You should be alert to the possibility of changes and ask in advance of bidding if there have been any.

1. OUR ROLE

In its role as *Auctioneer* of *Lots, Bonhams* acts solely for and in the interests of the *Seller*. *Bonhams'* job is to sell the *Lot* at the highest price obtainable at the *Sale* to a *Bidder. Bonhams* does not act for *Buyers* or *Bidders* in this role and does not give advice to *Buyers* or *Bidders.* When it or its staff make statements about a *Lot* or, if *Bonhams* provides a *Condition Report* on a *Lot* it is doing that on behalf of the *Seller* of the *Lot*. *Bidders* and *Buyers* who are themselves not expert in the *Lots* are strongly advised to seek and obtain independent advice on the *Lots* and their value before bidding for them. The *Seller* has authorised *Bonhams* to sell the *Lot* as its agent on its behalf and, save where we expressly make it clear to the contrary, *Bonhams* acts only as agent for the *Seller*. Any statement or representation we make in respect of a *Lot* is made on the *Seller's* behalf and, unless *Bonhams* sells a *Lot* as principal, not on our behalf and any *Contract for Sale* is between the *Buyer* and the *Seller* and not with us. If *Bonhams* sells a *Lot* as principal this will either be stated in the *Catalogue* or an announcement to that effect will be made by the *Auctioneer*, or it will be stated in a notice at the *Sale* or an insert in the *Catalogue.*

Bonhams does not owe or undertake or agree to any duty or responsibility to you in contract or tort (whether direct, collateral, express, implied or otherwise). If you successfully bid for a *Lot* and buy it, at that stage *Bonhams* does enter into an agreement with you as the *Buyer*. The terms of that contract are set out in our *Buyer's Agreement,* which you will find at Appendix 2 at the back of the *Catalogue,* and this will govern *Bonhams'* relationship with the *Buyer*.

2. LOTS

Subject to the *Contractual Description* printed in bold letters in the *Entry* about the *Lot* in the *Catalogue* (see paragraph 3 below), *Lots* are sold to the *Buyer* on an "as is" basis, with all faults and imperfections. Illustrations and photographs contained in the *Catalogue* (other than photographs forming part of the *Contractual Description*) or elsewhere of any *Lots* are for identification purposes only. A photograph or illustration may not reflect an accurate reproduction of the colour(s) or true condition of the *Lot*. *Lots* are available for inspection prior to the *Sale* and it is for you to satisfy yourself as to each and every aspect of a *Lot*, including its authorship, attribution, condition, provenance, history, background, authenticity, style, period, age, suitability, quality, roadworthiness (if relevant), origin, value and estimated selling price (including the *Hammer Price*). It is your responsibility to examine any *Lot* in which you are interested. It should be remembered that the actual condition of a *Lot* may not be as good as that indicated by its outward appearance. In particular, parts may have been replaced or renewed and *Lots* may not be authentic or of satisfactory quality; the inside of a *Lot* may not be visible and may not be original or may be damaged, as for example where it is covered by upholstery or material. Given the age of many *Lots* they may have been damaged and/or repaired and you should not assume that a *Lot* is in good condition. Electronic or mechanical items or parts are sold for their artistic, historic or cultural interest and may not operate or may not comply with current statutory requirements. You should not assume that electrical items designed to operate on mains electricity will be suitable for connection to the mains electricity supply and you should obtain a report from a qualified electrician on their status before doing so. Such items which are unsuitable for connection are sold as items of interest for display purposes only. If you yourself do not have expertise regarding a *Lot*, you should consult someone who does to advise you. We can assist in arranging facilities for you to carry out or have carried out more detailed inspections and tests. Please ask our staff for details.

Any person who damages a *Lot* will be held liable for the loss caused.

3. DESCRIPTIONS OF LOTS AND ESTIMATES

Contractual Description* of a *Lot

The *Catalogue* contains an *Entry* about each *Lot*. Each *Lot* is sold by its respective *Seller* to the *Buyer* of the *Lot* as corresponding only with that part of the *Entry* which is printed in bold letters and (except for the colour, which may be inaccurately reproduced) with any photograph of the *Lot* in the *Catalogue*. The remainder of the *Entry*, which is not printed in bold letters, represents *Bonhams'* opinion (given on behalf of the *Seller*) about the *Lot* only and is not part of the *Contractual Description* in accordance with which the *Lot* is sold by the *Seller*.

Estimates

In most cases, an Estimate is printed beside the *Entry*. *Estimates* are only an expression of *Bonhams'* opinion made on behalf of the *Seller* of the range where *Bonhams* thinks the *Hammer Price* for the *Lot* is likely to fall; it is not an *Estimate* of value. It does not take into account any *VAT* or *Buyer's Premium* payable **or any other fees payable by the Buyer, which are detailed in paragraph 7 of the Notice to Bidders, below.** Prices depend upon bidding and lots can sell for *Hammer Prices* below and above the *Estimates*, so *Estimates* should not be relied on as an indication of the actual selling price or value of a *Lot*. *Estimates* are in the currency of the *Sale*.

Condition Reports

In respect of most *Lots*, you may ask *Bonhams* for a *Condition Report* on the *Lot's* general physical condition. If you do so, this will be provided by *Bonhams* on behalf of the *Seller* free of charge. As this is offered additionally and without charge, *Bonhams* is not entering into a contract with you in respect of the *Condition Report* and accordingly does not assume responsibility to you in respect of it. The *Condition Report* represents *Bonhams'* reasonable opinion as to the *Lot's* general condition in the terms stated in the particular report, and *Bonhams* does not represent or guarantee that a *Condition Report* includes all aspects of the internal or external condition of the *Lot*. Neither does the *Seller* owe or agree to owe you as a *Bidder* or *Buyer* any obligation or duty in respect of this free report about a *Lot,* which is available for your own inspection or for inspection by an expert instructed by you.

The *Seller's* responsibility to you

The *Seller* does not make or agree to make any representation of fact or contractual promise, *Guarantee* or warranty and undertakes no obligation or duty, whether in contract or in tort (other than to the eventual *Buyer* as set out above), in respect of the accuracy or completeness of any statement or representation made by him or on his behalf, which is in any way descriptive of any *Lot* or as to the anticipated or likely selling price of any *Lot*. Other than as set out above, no statement or representation in any way descriptive of a *Lot* or any *Estimate* is incorporated into any *Contract for Sale* between a *Seller* and a *Buyer*.

***Bonhams'* responsibility to you**

You have the opportunity of examining the *Lot* if you want to and the *Contract for Sale* for a *Lot* is with the *Seller* and not with *Bonhams*; *Bonhams* acts as the *Seller's* agent only (unless *Bonhams* sells the *Lot* as principal).

Bonhams undertakes no obligation to you to examine, investigate or carry out any tests, either in sufficient depth or at all, on each *Lot* to establish the accuracy or otherwise of any *Descriptions* or opinions given by *Bonhams*, or by any person on *Bonhams'* behalf, whether in the *Catalogue* or elsewhere.

You should not suppose that such examinations, investigations or tests have occurred.

Bonhams does not make or agree to make any representation of fact, and undertakes no obligation or duty (whether in contract or tort) in respect of the accuracy or completeness of any statement or representation made by *Bonhams* or on *Bonhams'* behalf which is in any way descriptive of any *Lot* or as to the anticipated or likely selling price of any *Lot*. No statement or representation by *Bonhams* or on its behalf in any way descriptive of any *Lot* or any *Estimate* is incorporated into our *Buyer's Agreement.*

Alterations

Descriptions and *Estimates* may be amended at *Bonhams'* discretion from time to time by notice given orally or in writing before or during a *Sale*.

THE *LOT* IS AVAILABLE FOR INSPECTION AND YOU MUST FORM YOUR OWN OPINION IN RELATION TO IT. YOU ARE STRONGLY ADVISED TO EXAMINE ANY *LOT* OR HAVE IT EXAMINED ON YOUR BEHALF BEFORE THE *SALE*.

4. CONDUCT OF THE SALE

Our *Sales* are public auctions which persons may attend and you should take the opportunity to do so. We reserve the right at our sole discretion to refuse admission to our premises or to any *Sale* and to remove any person from our premises and *Sales,* without stating a reason. We have complete discretion as to whether the *Sale* proceeds, whether any *Lot* is included in the *Sale*, the manner in which the *Sale* is conducted and we may offer *Lots* for *Sale* in any order we choose notwithstanding the numbers given to *Lots* in the *Catalogue*. You should therefore check the date and starting time of the *Sale*, whether there have been any withdrawals or late entries. Remember that withdrawals and late entries may affect the time at which a *Lot* you are interested is put up for *Sale*. We have complete discretion in which to refuse any bid, to nominate any bidding increment we consider appropriate, to divide any *Lot*, to combine two or more *Lots*, to withdraw any *Lot* from a *Sale* and, before the *Sale* has been closed, to put up any *Lot* for auction again. Auction speeds can exceed 100 *Lots* to the hour and bidding increments are generally about 10%; however, these do vary from *Sale* to *Sale* and from *Auctioneer* to *Auctioneer*. Please check with the department organising the *Sale* for advice on this. Where a *Reserve* has been applied to a *Lot*, the *Auctioneer* may, in his absolute discretion, place bids (up to an amount not equalling or exceeding such *Reserve*) on behalf of the *Seller*. We are not responsible to you in respect of the presence or absence of any *Reserve* in respect of any *Lot*. If there is a *Reserve* it will be no higher than the lower figure for any *Estimate* in the *Catalogue*, assuming that the currency of the *Reserve* has not fluctuated adversely against the currency of the *Estimate*. The *Buyer* will be the *Bidder* who makes the highest bid acceptable to the *Auctioneer* for any *Lot* (subject to any applicable *Reserve*) to whom the *Lot* is knocked down by the *Auctioneer* at the fall of the *Auctioneer's* hammer. Any dispute as to the highest acceptable bid will be settled by the *Auctioneer* in his absolute discretion. All bids tendered will relate to the actual *Lot* number announced by the *Auctioneer*. An electronic currency converter may be used at the *Sale*. This equipment is provided as a general guide as to the equivalent amount in certain currencies of a given bid. We do not accept any responsibility for any errors which may occur in the use of the currency converter. We may use video cameras to record the *Sale* and may record telephone calls for reasons of security and to assist in solving any disputes which may arise in relation to bids made at the *Sale.* At some *Sales*, for example, jewellery *Sales*, we may use screens on which images of the *Lots* will be projected. This service is provided to assist viewing at the *Sale*. The image on the screen should be treated as an indication only of the current *Lot*. It should be noted that all bids tendered will relate to the actual *Lot* number announced by the *Auctioneer*. We do not accept any responsibility for any errors which may occur in the use of the screen.

5. BIDDING

You must complete and deliver to us one of our *Bidding Forms*, either our *Bidder Registration Form*, *Absentee Bidding Form* or *Telephone Bidding Form* in order to bid at our *Sales*.

If you are a new client at *Bonhams* or have not recently updated your registration details with us, you must pre-register to bid at least two working days before the *Sale* at which you wish to bid. You will be required to provide government-issued proof of identity and residence, and if you are a company, your certificate of incorporation or equivalent documentation with your name and registered address, government issued proof of your current address, documentary proof of your beneficial owners and directors, and proof of authority to transact. We may also request a financial reference and /or deposit from you before allowing you to bid.

We *reserve* the rights at our discretion to request further information in order to complete our client identification and to decline to register any person as a *Bidder,* and to decline to accept their bids if they have been so registered. We also reserve the rights to postpone completion of the *Sale* of any *Lot* at our discretion while we complete our registration and identification enquiries, and to cancel the *Sale* of any *Lot* if you are in breach of your warranties as *Buyer*, or if we consider that such *Sale* would be unlawful or otherwise cause liabilities for the *Seller* or *Bonhams* or be detrimental to *Bonhams'* reputation.

Bidding in person

So long as you have pre-registered to bid or have updated your existing registration recently, you should come to our *Bidder* registration desk at the *Sale* venue and fill out a Registration and Bidding Form on (or, if possible, before) the day of the *Sale.* The bidding number system is sometimes referred to as "paddle bidding". You will be issued with a large card (a "paddle") with a printed number on it. This will be attributed to you for the purposes of the *Sale*. Should you be a successful *Bidder* you will need to ensure that your number can be clearly seen by the *Auctioneer* and that it is your number which is identified as the *Buyer's*. You should not let anyone else use your paddle as all *Lots* will be invoiced to the name and address given on your *Bidder* Registration Form. Once an invoice is issued it will not be changed. If there is any doubt as to the *Hammer Price* of, or whether you are the successful *Bidder* of, a particular *Lot*, you must draw this to the attention of the *Auctioneer* before the next *Lot* is offered for *Sale***.** At the end of the *Sale*, or when you have finished bidding please return your paddle to the *Bidder* registration desk.

Bidding by telephone

If you wish to bid at the *Sale* by telephone, and have pre-registered to bid or have updated your existing registration details recently, please complete a Registration and Bidding Form, which is available from our offices or in the *Catalogue*. Please then return it to the office responsible for the *Sale* at least 24 hours in advance of the *Sale*. It is your responsibility to check with our Bids Office that your bid has been received. Telephone calls will be recorded. The telephone bidding facility is a discretionary service offered at no additional charge and may not be available in relation to all *Lots*. We will not be responsible for bidding on your behalf if you are unavailable at the time of the *Sale* or if the telephone connection is interrupted during bidding. Please contact us for further details.

Bidding by post or fax

Absentee *Bidding Forms* can be found in the back of this *Catalogue* and should be completed and sent to the office responsible for the *Sale*, once you have pre-registered to bid or have updated your existing registration details recently. It is in your interests to return your form as soon as possible, as if two or more *Bidders* submit identical bids for a *Lot*, the first bid received takes preference. In any event, all bids should be received at least 24 hours before the start of the *Sale*. Please check your Absentee *Bidding Form* carefully before returning it to us, fully completed and signed by you. It is your responsibility to check with our Bids Office that your bid has been received. This additional service is complimentary and is confidential. Such bids are made at your own risk and we cannot accept liability for our failure to receive and/or place any such bids. All bids made on your behalf will be made at the lowest level possible subject to *Reserves* and other bids made for the *Lot*. Where appropriate your bids will be rounded down to the nearest amount consistent with the *Auctioneer's* bidding increments. New *Bidders* must also provide proof of identity and address when submitting bids. Failure to do this will result in your bid not being placed.

Bidding via the internet

In order to bid online in a Sale, you must be 18 or over and you must register to bid via the Bonhams App or www.bonhams.com. Once you have registered, you should keep your account details strictly confidential and not permit any third party to access your account on your behalf or otherwise. You will be liable for any and all bids made via your account. Please note payment must be made from a bank account in the name of the registered bidder.

Individuals: Enter your full name, email, residential address, date of birth and nationality and provide a valid credit card in your name which will be verified via Stripe before you are able to bid. If your credit card fails verification, you will not be permitted to bid and you should contact Client Services for assistance. We may in addition request a financial reference and/or deposit from you prior to letting you bid. If you are bidding as agent on behalf of another party, you agree: (i) to disclose this fact to Client Services; (ii) to provide such information as we require to enable us to complete our identification and anti-money laundering checks on that third party; and (ii) where your bid is successful, you are jointly and severally liable with that other party for the full amounts owing for the successful bid. Where you are the successful bidder for any lot with a hammer price equal to or in excess of £5,000/$10,000/ HKD50,000/AUS$10,000 depending on the jurisdiction and currency of the Sale, and if you have not provided such documents previously, you will be required to upload or provide to Client Services your Government issued photo ID and (if not on the ID) proof of your

address before the lot can be released to you. We reserve the right to request ID documentation from any bidder or successful buyer regardless of these thresholds and to refuse to release any purchased lot until such documentation is provided.
Companies: You must select the option to set up a business account and then provide your full name, email, residential address, date of birth and the full name of the company. You must provide a credit card for verification either in your name or the name of the company but payment must be made from an account in the company's name. If your credit card fails verification, you will not be permitted to bid and please contact Client Services for assistance. We may in addition require a bank reference or deposit prior to letting you bid. For all successful bids, we require the company's Certificate of Incorporation or equivalent documentation confirming the company's name and registered address, documentary proof of each beneficial owner owning 25% or more of the company, and proof of your authority to transact before the lot can be released to you.
We reserve the right to request any further information from any bidder that we may require in order to carry out any identification, anti-money laundering or anti-terrorism financing checks conducted by us. We may at our discretion postpone or cancel your registration, not permit you to bid and/or postpone or cancel completion of any purchase you may make.

Bidding through an agent

Bids will be treated as placed exclusively by and on behalf of the person named on the *Bidding Form* unless otherwise agreed by us in writing in advance of the *Sale*. If you wish to bid on behalf of another person (your principal) you must complete the pre-registration requirements set out above both on your own behalf and with full details of your principal, and we will require written confirmation from the principal confirming your authority to bid.

You are specifically referred to your due diligence requirements concerning your principal and their source of funds, and the warranties you give in the event you are the *Buyer*, which are contained in paragraph 3 of the *Buyer's Agreement*, set out at Appendix 2 at the back of the *Catalogue*.

Nevertheless, as the *Bidding Form* explains, any person placing a bid as agent on behalf of another (whether or not he has disclosed that fact) will be jointly and severally liable with the principal to the *Seller* and to *Bonhams* under any contract resulting from the acceptance of a bid. Equally, please let us know if you intend to nominate another person to bid on your behalf at the *Sale* unless this is to be carried out by us pursuant to a Telephone or Absentee *Bidding Form* that you have completed. If we do not approve the agency arrangements in writing before the *Sale,* we are entitled to assume that the person bidding at the *Sale* is bidding on his own behalf. Accordingly, the person bidding at the *Sale* will be the *Buyer* and will be liable to pay the *Hammer Price* and *Buyer's Premium* and associated charges. If we approve the identity of your client in advance, we will be in a position to address the invoice to your principal rather than you. We will require proof of the agent's client's identity and residence in advance of any bids made by the agent on his behalf. Please refer to our *Conditions of Business* and contact our Customer Services Department for further details.
Bonhams undertakes Customer Due Diligence (CDD) into its *Sellers* and *Buyers* as required by the Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017 ("the Regulations"). Bonhams' interpretation of the Regulations and Treasury Approved industry Guidance is that CDD under the Regulations is not required by *Buyers* into *Sellers* at Bonhams auctions or *vice versa*.

6. CONTRACTS BETWEEN THE BUYER AND SELLER AND THE BUYER AND BONHAMS

On the *Lot* being knocked down to the *Buyer*, a *Contract for Sale* of the *Lot* will be entered into between the *Seller* and the *Buyer* on the terms of the *Contract for Sale* set out in Appendix 1 at the back of the *Catalogue*. You will be liable to pay the *Purchase Price*, which is the *Hammer Price* plus any applicable *VAT*. At the same time, a separate contract is also entered into between us as *Auctioneer*s and the *Buyer*. This is our *Buyer*'s *Agreement*, the terms of which are set out in Appendix 2 at the back of the *Catalogue*. Please read the terms of the *Contract for Sale* and our *Buyer*'s *Agreement* contained in the *Catalogue* in case you are the successful *Bidder* including the warranties as to your status and source of funds. We may change the terms of either or both of these agreements in advance of their being entered into, by setting out different terms in the *Catalogue* and/or by placing an insert in the *Catalogue* and/or by notices at the *Sale* venue and/or by oral announcements before and during the *Sale*. It is your responsibility to ensure you are aware of the up to date terms of the *Buyer's Agreement* for this *Sale*.

7. BUYER'S PREMIUM AND OTHER CHARGES PAYABLE BY THE BUYER

Under the *Buyer's Agreement*, a premium (the *Buyer's Premium*) is payable to us by the *Buyer* in accordance with the terms of the *Buyer's Agreement* and at rates set out below, calculated by reference to the *Hammer Price* and payable in addition to it.

The refusal of any CITES licence or permit and any delay in obtaining such licences or permits shall not give rise to the rescission or cancellation of any *Sale*, nor allow any delay in making full payment for the *Lot*.

14. THE SELLERS AND/OR BONHAMS' LIABILITY

Other than any liability of the *Seller* to the *Buyer* of a *Lot* under the *Contract for Sale*, neither we nor the *Seller* are liable (whether in negligence or otherwise) for any error or misdescription or omission in any *Description* of a *Lot* or any *Estimate* in respect of it, whether contained in the *Catalogue* or otherwise, whether given orally or in writing and whether given before or during the *Sale.* Neither we nor the *Seller* will be liable for any loss of *Business,* profits, revenue or income, or for loss of reputation, or for disruption to *Business* or wasted time on the part of management or staff, or for indirect losses or consequential damages of any kind, irrespective in any case of the nature, volume or source of the loss or damage alleged to be suffered, and irrespective of whether the said loss or damage is caused by or claimed in respect of any negligence, other tort, breach of contract (if any) or statutory duty, restitutionary claim or otherwise. In any circumstances where we and/or the *Seller* are liable in relation to any *Lot* or any *Description* or *Estimate* made of any *Lot*, or the conduct of any *Sale* in relation to any *Lot*, whether in damages, for an indemnity or contribution, or for a restitutionary remedy or otherwise, our and/or the *Seller's* liability (combined, if both we and the *Seller* are liable) will be limited to payment of a sum which will not exceed by way of maximum the amount of the *Purchase Price* of the *Lot* irrespective in any case of the nature, volume or source of any loss or damage alleged to be suffered or sum claimed as due, and irrespective of whether the liability arises from any negligence, other tort, breach of contract (if any) or statutory duty or otherwise. Nothing set out above will be construed as excluding or restricting (whether directly or indirectly) our liability or excluding or restricting any person's rights or remedies in respect of (i) fraud, or (ii) death or personal injury caused by our negligence (or by the negligence of any person under our control or for whom we are legally responsible), or (iii) acts or omissions for which we are liable under the Occupiers Liability Act 1957, or (iv) any other liability to the extent the same may not be excluded or restricted as a matter of law or (v) our undertakings under paragraphs 9 (in relation to specialist *Stamp* or *Book Sales* only) and 10 of the *Buyer's Agreement*. The same applies in respect of the *Seller*, as if references to us in this paragraph were substituted with references to the *Seller*.

15. BOOKS

As stated above, all *Lots* are sold on an "as is" basis, subject to all faults, imperfections and errors of *Description* save as set out below. However, you will be entitled to reject a *Book* in the circumstances set out in paragraph 11 of the *Buyers Agreement.* Please note that *Lots* comprising printed *Books*, unframed maps and bound manuscripts are not liable to *VAT* on the *Buyer*'s *Premium.*

16. CLOCKS AND WATCHES

All *Lots* are sold "as is", and the absence of any reference to the condition of a clock or watch does not imply that the *Lot* is in good condition and without defects, repairs or restorations. Most clocks and watches have been repaired in the course of their normal lifetime and may now incorporate parts not original to them. Furthermore, *Bonhams* makes no representation or warranty that any clock or watch is in working order. As clocks and watches often contain fine and complex mechanisms, *Bidders* should be aware that a general service, change of battery or further repair work, for which the *Buyer* is solely responsible, may be necessary.

17. FIREARMS – PROOF, CONDITION AND CERTIFICATION

Proof of Firearms

The term "proof exemption" indicates that a firearm has been examined at a Proof House, but not proved, as either (a) it was deemed of interest and not intended for use, or (b) ammunition was not available. In either case, the firearm must be regarded as unsafe to fire unless subsequently proved. Firearms proved for Black Powder should not be used with smokeless ammunition.

The term "Certificate of Unprovability" indicates that a firearm has been examined at a Proof House and is deemed both unsuitable for proof and use. Reproof is required before any such firearm is to be used.

Guns Sold as Parts

Barrels of guns sold as parts will only be made available for sleeving and measurements once rendered unserviceable according to the Gun Barrel Proof Act of 1968 to 1978 and the Rules of Proof.

Condition of Firearms

Comment in this *Catalogue* is restricted, in general, to exceptional condition and to those defects that might affect the immediate safety of a firearm in normal use. An intending *Bidder* unable to make technical examinations and assessments is recommended to seek advice from a gunmaker or from a modern firearms specialist. All prospective *Bidders* are advised to consult the - of bore and wall-thickness measurements posted in the saleroom and available from the department. *Bidders* should note that guns are stripped only where there is a strong indication of a mechanical malfunction. Stripping is not, otherwise, undertaken. Guns intended for use should be stripped and cleaned beforehand. Hammer guns should have their rebound mechanisms checked before use. The safety mechanisms of all guns must be tested before use. All measurements are approximate.

Original Gun Specifications Derived from Gunmakers

The Sporting Gun Department endeavours to confirm a gun's original specification and date of manufacture with makers who hold their original records.

Licensing Requirements

Firearms Act 1968 as amended

Bonhams is constantly reviewing its procedures and would remind you that, in the case of firearms or shotguns subject to certification, to conform with current legislation, *Bonhams* is required to see, as appropriate, your original registered firearms dealer's certificate / shot gun certificate / firearm certificate / museum firearms licence / Section 5 authority or import licence (or details of any exemption from which you may benefit, for instance Crown servant status) for the firearm(s) you have purchased prior to taking full payment of the amount shown on your invoice. Should you not already be in possession of such an authority or exemption, you are required to initially pay a deposit of 95% of the total invoice with the balance of 5% payable on presentation of your valid certificate or licence showing your authority to hold the firearm(s) concerned.

Please be advised that if a successful *Bidder* is then unable to produce the correct paperwork, the *Lot(s)* will be reoffered by *Bonhams* in the next appropriate *Sale*, on standard terms for *Sellers*, and you will be responsible for any loss incurred by *Bonhams* on the original *Sale* to you.

In the case of RFD certificates and Section 5 authorities, we wish to keep an up-to-date copy on file. Please supply us with a Fax or photocopy. It would be helpful if you could send us an updated copy whenever your certificate or authority is renewed or changed.

Lots marked 'S1´ and bearing red labels are Section 1 firearms and require a valid British Firearms certificate, RFD Licence or import licence.

Lots marked 'S2' and bearing blue labels are Section 2 firearms and require a valid British Shotgun certificate, RFD licence or import licence.

Lots marked 'S5´ and bearing specially marked red labels are Section 5 prohibited firearms and require a valid Section 5 Authority or import licence.

Lots marked with a 'S58´ and bearing yellow labels are for obsolete calibres and no licence is required unless ammunition is held.

Unmarked *Lots* require no licence.

Please do not hesitate to contact the Modern Sporting Gun Department should you have any queries.

Taxidermy and Related Items

On behalf of the *Seller* of these articles, *Bonhams* undertakes to comply fully with Cites and DEFRA regulations. *Buyers* are advised to inform themselves of all such regulations and should expect the exportation of items to take some time to arrange.

18. FURNITURE

Upholstered Furniture

Whilst we take every care in cataloguing furniture which has been upholstered we offer no *Guarantee* as to the originality of the wood covered by fabric or upholstery.

19. JEWELLERY

Gemstones

Historically many gemstones have been subjected to a variety of treatments to enhance their appearance. Sapphires and rubies are routinely heat treated to improve their colour and clarity, similarly emeralds are frequently treated with oils or resin for the same purpose. Other treatments such as staining, irradiation or coating may have been used on other gemstones. These treatments may be permanent, whilst others may need special care or re-treatment over the years to retain their appearance. *Bidders* should be aware that *Estimates* assume that gemstones may have been subjected to such treatments. A number of laboratories issue certificates that give more detailed *Descriptions* of gemstones. However there may not be consensus between different laboratories on the degrees, or types of treatment for any particular gemstone. In the event that *Bonhams* has been given or has obtained certificates for any *Lot* in the *Sale* these certificates will be disclosed in the *Catalogue*. Although, as a matter of policy, *Bonhams* endeavours to provide certificates from recognised laboratories for certain gemstones, it is not feasible to obtain certificates for each *Lot*. In the event that no certificate is published in the *Catalogue*, *Bidders* should assume that the gemstones may have been treated. Neither *Bonhams* nor the *Seller* accepts any liability for contradictions or differing certificates obtained by *Buyer*s on any *Lots* subsequent to the *Sale*.

Estimated Weights

If a stone(s) weight appears within the body of the *Description* in capital letters, the stone(s) has been unmounted and weighed by *Bonhams*. If the weight of the stone(s) is stated to be approximate and does not appear in capital letters, the stone(s) has been assessed by us within its/their settings, and the stated weight is a statement of our opinion only. This information is given as a guide and *Bidders* should satisfy themselves with regard to this information as to its accuracy.

Signatures

1. A diamond brooch, by Kutchinsky

When the maker's name appears in the title, in *Bonhams*' opinion the piece is by that maker.

2. A diamond brooch, signed Kutchinsky

Has a signature that, in *Bonhams*' opinion, is authentic but may contain gemstones that are not original, or the piece may have been altered.

3. A diamond brooch, mounted by Kutchinsky

Has been created by the jeweller, in *Bonhams*' opinion, but using stones or designs supplied by the client.

20. PHOTOGRAPHS

Explanation of *Catalogue* Terms

- "Bill Brandt": in our opinion a work by the artist.
- "Attributed to Bill Brandt": in our opinion probably a work by the artist, but less certainty to authorship is expressed than in the preceding category.
- "Signed and/or titled and/or dated and/or inscribed": in our opinion the signature and/or title and/or date and/or inscription are in the artist's hand.
- "Signed and/or titled and/or dated and/or inscribed in another hand": in our opinion the signature and/or title and/or date and/or inscription have been added by another hand.
- The date given is that of the image (negative). Where no further date is given, this indicates that the photographic print is vintage (the term "vintage" may also be included in the *Lot Description*). A vintage photograph is one which was made within approximately 5-10 years of the negative. Where a second, later date appears, this refers to the date of printing. Where the exact printing date is not known, but understood to be later, "printed later" will appear in the *Lot Description*.
- Unless otherwise specified, dimensions given are those of the piece of paper on which the image is printed, including any margins. Some photographs may appear in the *Catalogue* without margins illustrated.
- All photographs are sold unframed unless stated in the *Lot Description*.

21. PICTURES

Explanation of *Catalogue* Terms

The following terms used in the *Catalogue* have the following meanings but are subject to the general provisions relating to *Descriptions* contained in the *Contract for Sale:*

- "Jacopo Bassano": in our opinion a work by the artist. When the artist's forename(s) is not known, a series of asterisks, followed by the surname of the artist, whether preceded by an initial or not, indicates that in our opinion the work is by the artist named;
- "Attributed to Jacopo Bassano": in our opinion probably a work by the artist but less certainty as to authorship is expressed than in the preceding category;
- "Studio/Workshop of Jacopo Bassano": in our opinion a work by an unknown hand in a studio of the artist which may or may not have been executed under the artist's direction;
- "Circle of Jacopo Bassano": in our opinion a work by a hand closely associated with a named artist but not necessarily his pupil;
- "Follower of Jacopo Bassano": in our opinion a work by a painter working in the artist's style, contemporary or nearly contemporary, but not necessarily his pupil;
- "Manner of Jacopo Bassano": in our opinion a work in the style of the artist and of a later date;
- "After Jacopo Bassano": in our opinion, a copy of a known work of the artist;
- "Signed and/or dated and/or inscribed": in our opinion the signature and/or date and/or inscription are from the hand of the artist;
- "Bears a signature and/or date and/or inscription": in our opinion the signature and/or date and/or inscription have been added by another hand.

22. PORCELAIN AND GLASS

Damage and Restoration

For your guidance, in our *Catalogues* we attempt to detail, as far as practicable, all significant defects, cracks and restoration. Such practicable *Descriptions* of damage cannot be definitive, and in providing *Condition Reports*, we cannot *Guarantee* that there are no other defects present which have not been mentioned. *Bidders* should satisfy themselves by inspection, as to the condition of each *Lot*. Please see the *Contract for Sale* printed in this *Catalogue*. Because of the difficulty in determining whether an item of glass has been repolished, in our *Catalogues* reference is only made to visible chips and cracks. No mention is made of repolishing, severe or otherwise.

23. VEHICLES

The Veteran Car Club of Great Britain

Dating Plates and Certificates

When mention is made of a Veteran Car Club Dating Plate or Dating Certificate in this *Catalogue*, it should be borne in mind that the Veteran Car Club of Great Britain using the services of Veteran Car Company Ltd, does from time to time, review cars already dated and, in some instances, where fresh evidence becomes available, the review can result in an alteration of date. Whilst the Club and Veteran Car Company Ltd make every effort to ensure accuracy, the date shown on the Dating Plate or Dating Certificate cannot be guaranteed as correct and intending purchasers should make their own enquiries as to the date of the car.

24. WINE

Lots which are lying under Bond and those liable to *VAT* may not be available for immediate collection.

Examining the wines

It is occasionally possible to provide a pre-*Sale* tasting for larger parcels (as defined below). This is generally limited to more recent and everyday drinking wines. Please contact the department for details. It is not our policy to inspect every unopened case. In the case of wines older than 20 years the boxes will usually have been opened and levels and appearance noted in the *Catalogue* where necessary. You should make proper allowance for variations in ullage levels and conditions of corks, capsules and labels.

Corks and Ullages

Ullage refers to the space between the base of the cork and the wine. Ullage levels for Bordeaux shaped bottles are only normally noted when below the neck and for Burgundy, Alsace, German and Cognac shaped bottles when greater than 4 centimetres (cm). Acceptable ullage levels increase with age; generally acceptable levels are as follows:

Under 15 years old – into neck or less than 4cm
15 to 30 years old – top shoulder (ts) or up to 5cm
Over 30 years old – high shoulder (hs) or up to 6cm

It should be noted that ullages may change between publication of the *Catalogue* and the *Sale* and that corks may fail as a result of transporting the wine. We will only accept responsibility for *Descriptions* of condition at the time of publication of the *Catalogue* and cannot accept responsibility for any loss resulting from failure of corks either before or after this point.

Options to buy parcels

A parcel is a number of *Lots* of identical size of the same wine, bottle size and *Description*. The *Buyer* of any of these *Lots* has the option to accept some or all of the remaining *Lots* in the parcel at the same price, although such options will be at the *Auctioneer*'s sole discretion. Absentee *Bidders* are, therefore, advised to bid on the first *Lot* in a parcel.

Wines in Bond

Wines lying in Bond are marked Δ. All *Lots* sold under Bond, and which the *Buyer* wishes to remain under Bond, will be invoiced without VAT or Duty on the *Hammer Price.* If the *Buyer* wishes to take the *Lot* as Duty paid, UK Excise Duty and VAT will be added to the *Hammer Price* on the invoice.

Buyers must notify *Bonhams* at the time of the *sale* whether they wish to take their wines under Bond or Duty paid. If a *Lot* is taken under Bond, the *Buyer* will be responsible for all VAT, Duty, clearance and other charges that may be payable thereon.

Buyers outside the UK must be aware that any forwarding agent appointed to export their purchases must have a movement certificate for *Lots* to be released under Bond.

BB – Bordeaux bottled

Φ This lot contains elephant ivory and is therefore subject to both CITES regulations and the UK Ivory Act 2018. APPENDIX 1

BUYERS SALE CONTRACT WITH SELLER

IMPORTANT: These terms may be changed in advance of the *Sale* of the *Lot* to you, by the setting out of different terms in the *Catalogue* for the *Sale* and/or by placing an insert in the *Catalogue* and/or by notices at the *Sale* venue and/or on Bonhams' website, and/or by oral announcements before and during the *Sale* at the *Sale* venue. You should be alert to this possibility of changes and ask in advance of bidding if there have been any.

Under this contract the *Seller's* liability in respect of the quality of the *Lot,* it's fitness for any purpose and its conformity with any *Description* is limited. You are strongly advised to examine the *Lot* for yourself and/or obtain an independent examination of it before you buy it.

1 THE CONTRACT

1.1 These terms and the relevant terms for *Bidders* and *Buyers* in the *Notice to Bidders* govern the *Contract for Sale* of the *Lot* by the *Seller* to the *Buyer*.

1.2 The Definitions and Glossary contained in Appendix 3 in the *Catalogue* are incorporated into this *Contract for Sale* and a separate copy can also be provided by *Bonhams* on request. Where words and phrases are used which are in the List of Definitions, they are printed in italics.

1.3 The *Seller* sells the *Lot* as the principal to the *Contract for Sale*, such contract being made between the *Seller* and you through *Bonhams* which acts in the sole capacity as the *Seller's* agent and not as an additional principal. However, if the *Catalogue* states that *Bonhams* sells the *Lot* as principal, or such a statement is made by an announcement by the *Auctioneer*, or by a notice at the *Sale*, or an insert in the *Catalogue*, then *Bonhams* is the *Seller* for the purposes of this agreement.

1.4 The contract is made on the fall of the *Auctioneer's* hammer in respect of the *Lot* when it is knocked down to you.

2 SELLER'S WARRANTIES AND UNDERTAKINGS

2.1 The *Seller* undertakes to you that:

2.1.1 the *Seller* is the owner of the *Lot* or is duly authorised to sell the *Lot* by the owner;

2.1.2 save as disclosed in the *Entry* for the *Lot* in the *Catalogue,* the *Seller* sells the *Lot* with full title guarantee or, where the *Seller* is an executor, trustee, liquidator, receiver or administrator, with whatever right, title or interest he may have in the *Lot;*

2.1.3 except where the *Sale* is by an executor, trustee, liquidator, receiver or administrator the *Seller* is both legally entitled to sell the *Lot*, and legally capable of conferring on you quiet possession of the *Lot* and that the *Sale* conforms in every respect with the terms implied by the Sale of Goods Act 1979, Sections 12(1) and 12(2) (see the Definitions and Glossary);

2.1.4 the *Seller* has complied with all requirements, legal or otherwise, relating to any export or import of the *Lot*, and all duties and taxes in respect of the export or import of the *Lot* have (unless stated to the contrary in the *Catalogue* or announced by the *Auctioneer*) been paid and, so far as the *Seller* is aware, all third parties have complied with such requirements in the past;

2.1.5 items consigned for sale by the *Seller* are not connected with or derived from any criminal activity, including without limitation tax evasion, money laundering, terrorist financing or breach of any applicable international trade sanctions;

2.1.6 subject to any alterations expressly identified as such made by announcement or notice at the *Sale* venue or by the *Notice to Bidders* or by an insert in the *Catalogue* or on the Bonhams website, the *Lot* corresponds with *the Contractual Description* of the *Lot*, being that part of the *Entry* about the *Lot* in the *Catalogue* which is in bold letters and (except for colour) with any photograph of the *Lot* in the *Catalogue.*

3 DESCRIPTIONS OF THE LOT

3.1 Paragraph 2.1.5 sets out what is the *Contractual Description* of the *Lot*. In particular, the *Lot* is not sold as corresponding with any part of the *Entry* in the *Catalogue* which is not printed in bold letters, the remainder of which *Entry* merely sets out (on the *Seller's* behalf) *Bonhams'* opinion about the *Lot* and which is not part of the *Contractual Description* upon which the *Lot* is sold. Any statement or representation other than that part of the *Entry* referred to in paragraph 2.1.5 (together with any express alteration to it as referred to in paragraph 2.1.5), including any *Description* or *Estimate*, whether made orally or in writing, including in the *Catalogue* or on *Bonhams' Website*, or by conduct, or otherwise, and whether by or on behalf of the *Seller* or *Bonhams* and whether made prior to or during the *Sale*, is not part of the *Contractual Description* upon which the *Lot* is sold.

3.2 Except as provided in paragraph 2.1.5, the *Seller* does not make or give and does not agree to make or give any contractual promise, undertaking, obligation, guarantee, warranty, or representation of fact, or undertake any duty of care, in relation to any *Description* of the *Lot* or any *Estimate* in relation to it, nor of the accuracy or completeness of any *Description* or *Estimate* which may have been *Bonhams*. No such *Description* or *Estimate* is incorporated into this *Contract for Sale*.

4 FITNESS FOR PURPOSE AND SATISFACTORY QUALITY

4.1 The *Seller* does not make and does not agree to make any contractual promise, undertaking, obligation, guarantee, warranty, or representation of fact in relation to the satisfactory quality of the *Lot* or its fitness for any purpose.

4.2 The *Seller* will not be liable for any breach of any undertaking, whether implied by the Sale of Goods Act 1979 or otherwise, as to the satisfactory quality of the *Lot* or its fitness for any purpose.

5 RISK, PROPERTY AND TITLE

5.1 Risk in the *Lot* passes to you after 7 days from the day upon which it is knocked down to you on the fall of the *Auctioneer's* hammer in respect of the *Lot,* or upon collection of the *Lot* if earlier. The *Seller* will not be responsible thereafter for the *Lot* prior to you collecting it from *Bonhams* or the *Storage Contractor*, with whom you have separate contract(s) as *Buyer*. You will indemnify the *Seller* and keep the *Seller* fully indemnified from and against all claims, proceedings, costs, expenses and losses arising in respect of any injury, loss and damage caused to the *Lot* beyond 7 days from the day of the fall of the *Auctioneer's* hammer until you obtain full title to it.

5.2 Title to the *Lot* remains in and is retained by the *Seller* until: (i) the *Purchase Price* and all other sums payable by you to *Bonhams* in relation to the *Lot* have been paid in full to and received in cleared funds by *Bonhams*, and (ii) *Bonhams* has completed its investigations pursuant to clause 3.11 of the *Buyer's Agreement* with *Bonhams* set out in Appendix 2 in the catalogue.

6 PAYMENT

6.1 Your obligation to pay the *Purchase Price* arises when the *Lot* is knocked down to you on the fall of the *Auctioneer's* hammer in respect of the *Lot*.

6.2 Time will be of the essence in relation to payment of the *Purchase Price* and all other sums payable by you to *Bonhams*. Unless agreed in writing with you by *Bonhams* on the *Seller's* behalf (in which case you must comply with the terms of that agreement), all such sums must be paid to *Bonhams* by you in the currency in which the *Sale* was conducted by not later than 4.30pm on the second working day following the *Sale* and you must ensure that the funds are cleared by the seventh working day after the *Sale*. Payment must be made to *Bonhams* by one of the methods stated in the *Notice to Bidders* unless otherwise agreed with you in writing by *Bonhams*. If you do not pay in full any sums due in accordance with this paragraph, the *Seller* will have the rights set out in paragraph 8 below.

7 COLLECTION OF THE LOT

7.1 Unless otherwise agreed in writing with you by *Bonhams*, the *Lot* will be released to you or to your order only when: (i) *Bonhams* has received cleared funds to the amount of the full *Purchase Price* and all other sums owed by you to the *Seller* and to *Bonhams* and (ii) *Bonhams* has completed its investigations pursuant to clause 3.11 of the *Buyer's Agreement* with *Bonhams* set out in Appendix 2 in the catalogue.

7.2 The *Seller* is entitled to withhold possession from you of any other *Lot* he has sold to you at the same or at any other *Sale* and whether currently in *Bonhams'* possession or not, until payment in full and in cleared funds of the *Purchase Price* and all other sums due to the *Seller* and/or *Bonhams* in respect of the *Lot*.

7.3 You should note that *Bonhams* has reserved the right not to release the *Lot* to you until its investigations under paragraph 3.11 of the *Buyers' Agreement* set out in Appendix 2 have been completed to *Bonhams'* satisfaction.

7.4 You will collect and remove the *Lot* at your own expense from *Bonhams'* custody and/ or control or from the *Storage Contractor's* custody in accordance with *Bonhams'* instructions or requirements.

7.5 You will be wholly responsible for packing, handling and transport of the *Lot* on collection and for complying with all import or export regulations in connection with the *Lot*.

7.6 You will be wholly responsible for any removal, storage or other charges or expenses incurred by the *Seller* if you do not remove the *Lot* in accordance with this paragraph 7 and will indemnify the *Seller* against all charges, costs, including any legal costs and fees, expenses and losses suffered by the *Seller* by reason of your failure to remove the *Lot* including any charges due under any *Storage Contract*. All such sums due to the *Seller* will be payable on demand.

8 FAILURE TO PAY FOR THE LOT

8.1 If the *Purchase Price* for a *Lot* is not paid to *Bonhams* in full in accordance with the *Contract for Sale*, the *Seller* will be entitled, with the prior written agreement of *Bonhams* but without further notice to you, to exercise one or more of the following rights (whether through *Bonhams* or otherwise):

8.1.1 to terminate immediately the *Contract for Sale* of the *Lot* for your breach of contract;

8.1.2 to resell the *Lot* by auction, private treaty or any other means on giving seven days' written notice to you of the intention to resell;

8.1.3 to retain possession of the *Lot*;

8.1.4 to remove and store the *Lot* at your expense;

8.1.5 to take legal proceedings against you for any sum due under the *Contract for Sale* and/or damages for breach of contract;

8.1.6 to be paid interest on any monies due (after as well as before judgement or order) at the annual rate of 5% per annum above the base rate of National Westminster Bank Plc from time to time to be calculated on a daily basis from the date upon which such monies become payable until the date of actual payment;

8.1.7 to repossess the *Lot* (or any part thereof) which has not become your property, and for this purpose (unless the *Buyer* buys the *Lot* as a *Consumer* from the *Seller* selling in the course of a *Business*) you hereby grant an irrevocable licence to the *Seller* by himself and to his servants or agents to enter upon all or any of your premises (with or without vehicles) during normal *Business* hours to take possession of the *Lot* or part thereof;

8.1.8 to retain possession of any other property sold to you by the *Seller* at the *Sale* or any other auction or by private treaty until all sums due under the *Contract for Sale* shall have been paid in full in cleared funds;

8.1.9 to retain possession of, and on three months' written notice to sell, *Without Reserve*, any of your other property in the possession of the *Seller* and/or of *Bonhams* (as bailee for the *Seller*) for any purpose (including, without limitation, other goods sold to you) and to apply any monies due to you as a result of such *Sale* in satisfaction or part satisfaction of any amounts owed to the *Seller* or to *Bonhams*; and

8.1.10 so long as such goods remain in the possession of the *Seller* or *Bonhams* as its bailee, to rescind the contract for the *Sale* of any other goods sold to you by the *Seller* at the *Sale* or at any other auction or by private treaty and apply any monies received from you in respect of such goods in part or full satisfaction of any amounts owed to the *Seller* or to *Bonhams* by you.

8.2 You agree to indemnify the *Seller* against all legal and other costs of enforcement, all losses and other expenses and costs (including any monies payable to *Bonhams* in order to obtain the release of the *Lot*) incurred by the *Seller* (whether or not court proceedings will have been issued) as a result of *Bonhams* taking steps under this paragraph 8 on a full indemnity basis together with interest thereon (after as well as before judgement or order) at the rate specified in paragraph 8.1.6 from the date upon which the *Seller* becomes liable to pay the same until payment by you.

8.3 On any resale of the *Lot* under paragraph 8.1.2, the *Seller* will account to you in respect of any balance remaining from any monies received by him or on his behalf in respect of the *Lot*, after the payment of all sums due to the *Seller* and to *Bonhams*, within 28 days of receipt of such monies by him or on his behalf.

9 THE SELLER'S LIABILITY

9.1 The *Seller* will not be liable for any injury, loss or damage caused by the *Lot* after the fall of the *Auctioneer's* hammer in respect of the *Lot*.

9.2 Subject to paragraph 9.3 below, except for breach of the express undertaking provided in paragraph 2.1.5, the *Seller* will not be liable for any breach of any term that the *Lot* will correspond with any *Description* applied to it by or on behalf of the *Seller*, whether implied by the Sale of Goods Act 1979 or otherwise.

9.3 Unless the *Seller* sells the *Lot* in the course of a *Business* and the *Buyer* buys it as a *Consumer*,

9.3.1 the *Seller* will not be liable (whether in negligence, other tort, breach of contract or statutory duty or in restitution or under the Misrepresentation Act 1967, or in any other way) for any lack of conformity with, or inaccuracy, error, misdescription or omission in any *Description* of the *Lot* or any *Entry* or *Estimate* in relation to the *Lot* made by or on behalf of the *Seller* (whether made in writing, including in the *Catalogue,* or on the *Website,* or orally, or by conduct or otherwise) and whether made before or after this agreement or prior to or during the *Sale;*

9.3.2 the *Seller* will not be liable for any loss of *Business, Business* profits or revenue or income or for loss of reputation or for disruption to *Business* or wasted time on the part of the *Buyer* or of the *Buyer's* management or staff or, for any indirect losses or consequential damages of any kind, irrespective in any case of the nature, volume or source of the loss or damage alleged to be suffered, and irrespective of whether the said loss or damage is caused by or claimed in respect of any negligence, other tort, breach of contract, statutory duty, restitutionary claim or otherwise;

9.3.3 in any circumstances where the *Seller* is liable to you in respect of the *Lot*, or any act, omission, statement, or representation in respect of it, or this agreement or its performance, and whether in damages, for an indemnity or contribution or for a restitutionary remedy or in any way whatsoever, the *Seller's* liability will be limited to payment of a sum which will not exceed by way of maximum the amount of the *Purchase Price* of the *Lot* irrespective in any case of the nature, volume or source

of any loss or damage alleged to be suffered or sum claimed as due, and irrespective of whether the liability arises from any negligence, other tort, breach of contract, statutory duty, bailee's duty, restitutionary claim or otherwise.

9.4 Nothing set out in paragraphs 9.1 to 9.3 above will be construed as excluding or restricting (whether directly or indirectly) any person's liability or excluding or restricting any person's rights or remedies in respect of (i) fraud, or (ii) death or personal injury caused by the *Seller's* negligence (or any person under the *Seller's* control or for whom the *Seller* is legally responsible), or (iii) acts or omissions for which the *Seller* is liable under the Occupiers Liability Act 1957, or (iv) any other liability to the extent the same may not be excluded or restricted as a matter of law.

10 MISCELLANEOUS

10.1 You may not assign either the benefit or burden of the *Contract for Sale.*

10.2 The *Seller's* failure or delay in enforcing or exercising any power or right under the *Contract for Sale* will not operate or be deemed to operate as a waiver of his rights under it except to the extent of any express waiver given to you in writing. Any such waiver will not affect the *Seller's* ability subsequently to enforce any right arising under the *Contract for Sale*.

10.3 If either party to the *Contract for Sale* is prevented from performing that party's respective obligations under the *Contract for Sale* by circumstances beyond its reasonable control or if performance of its obligations would by reason of such circumstances give rise to a significantly increased financial cost to it, that party will not, for so long as such circumstances prevail, be required to perform such obligations. This paragraph does not apply to the obligations imposed on you by paragraph 6.

10.4 Any notice or other communication to be given under the *Contract for Sale* must be in writing and may be delivered by hand or sent by first class post or air mail or fax transmission, if to the *Seller*, addressed c/o *Bonhams* at its address or fax number in the *Catalogue* (marked for the attention of the Company Secretary), and if to you to the address or fax number of the *Buyer* given in the *Bidding Form* (unless notice of any change of address is given in writing). It is the responsibility of the sender of the notice or communication to ensure that it is received in a legible form within any applicable time period.

10.5 If any term or any part of any term of the *Contract for Sale* is held to be unenforceable or invalid, such unenforceability or invalidity will not affect the enforceability and validity of the remaining terms or the remainder of the relevant term.

10.6 References in the *Contract for Sale* to *Bonhams* will, where appropriate, include reference to *Bonhams'* officers, employees and agents and to any subsidiary of Bonhams Holdings Limited and to its officers, employees and agents.

10.7 The headings used in the *Contract for Sale* are for convenience only and will not affect its interpretation.

10.8 In the *Contract for Sale* "including" means "including, without limitation".

10.9 References to the singular will include reference to the plural (and vice versa) and reference to any one gender will include reference to the other genders.

10.10 Reference to a numbered paragraph is to a paragraph of the *Contract for Sale*.

10.11 Save as expressly provided in paragraph 10.12 nothing in the *Contract for Sale* confers (or purports to confer) on any person who is not a party to the *Contract for Sale* any benefit conferred by, or the right to enforce any term of, the *Contract for Sale*.

10.12 Where the *Contract for Sale* confers an immunity from, and/or an exclusion or restriction of, the responsibility and/or liability of the *Seller*, it will also operate in favour and for the benefit of *Bonhams, Bonhams'* holding company and the subsidiaries of such holding company and the successors and assigns of *Bonhams* and of such companies and of any officer, employee and agent of *Bonhams* and such companies, each of whom will be entitled to rely on the relevant immunity and/or exclusion and/or restriction within and for the purposes of Contracts (Rights of Third Parties) Act 1999, which enables the benefit of a contract to be extended to a person who is not a party to the contract, and generally at law.

11 GOVERNING LAW

All transactions to which the *Contract for Sale* applies and all connected matters will be governed by and construed in accordance with the laws of that part of the United Kingdom where the *Sale* takes place and the *Seller* and you each submit to the exclusive jurisdiction of the courts of that part of the United Kingdom, save that the *Seller* may bring proceedings against you in any other court of competent jurisdiction to the extent permitted by the laws of the relevant jurisdiction. *Bonhams* has a complaints procedure in place.

APPENDIX 2

BUYER'S AGREEMENT WITH BONHAMS

IMPORTANT: These terms may be changed in advance of the *Sale* of the *Lot* to you, by the setting out of different terms in the *Catalogue* for the *Sale* and/or by placing an insert in the *Catalogue* and/or by notices at the *Sale* venue and/or by oral announcements before and during the *Sale* at the *Sale* venue. You should be alert to this possibility of changes and ask in advance of bidding if there have been any.

1 THE CONTRACT

1.1 These terms govern the contract between *Bonhams* personally and the *Buyer*, being the person to whom a *Lot* has been knocked down by the *Auctioneer*.

1.2 The Definitions and Glossary contained in Appendix 3 to the *Catalogue* for the *Sale* are incorporated into this agreement and a separate copy can also be provided by us on request. Where words and phrases which are defined in the List of Definitions are used in this agreement, they are printed in italics. Reference is made in this agreement to information printed in the *Notice to Bidders*, printed in the *Catalogue* for the *Sale*, and where such information is referred to it is incorporated into this agreement.

1.3 Except as specified in paragraph 4 of the *Notice to Bidders* the *Contract for Sale* of the *Lot* between you and the *Seller* is made on the fall of the *Auctioneer's* hammer in respect of the *Lot*, when it is knocked down to you. At that moment a separate contract is also made between you and *Bonhams* on the terms in this *Buyer's Agreement*.

1.4 We act as agents for the *Seller* and are not answerable or personally responsible to you for any breach of contract or other default by the *Seller*, unless *Bonhams* sells the *Lot* as principal.

1.5 Our personal obligations to you are governed by this agreement and we agree, subject to the terms below, to the following obligations:

1.5.1 we will, until the date and time specified in the *Notice to Bidders* or otherwise notified to you, store the *Lot* in accordance with paragraph 5;

1.5.2 subject to any power of the *Seller* or us to refuse to release the *Lot* to you, we will release the *Lot* to you in accordance with paragraph 4 once you have paid to us, in cleared funds, everything due to us and the *Seller* and following completion of our enquiries pursuant to paragraph 3.11;

1.5.3 we will provide guarantees in the terms set out in paragraphs 9 and 10.

1.6 We do not make or give and do not agree to make or give any contractual promise, undertaking, obligation, *Guarantee*, warranty, representation of fact in relation to any *Description* of the *Lot* or any *Estimate* in relation to it, nor of the accuracy or completeness of any *Description* or *Estimate* which may have been made by us or on our behalf or by or on behalf of the *Seller* (whether made orally or in writing, including in the *Catalogue* or on *Bonhams' Website,* or by conduct, or otherwise), and whether made before or after this agreement or prior to or during the *Sale*. No such *Description* or *Estimate* is incorporated into this agreement between you and us. Any such *Description* or Estimate, if made by us or on our behalf, was (unless *Bonhams* itself sells the *Lot* as principal) made as agent on behalf of the *Seller*.

2 PERFORMANCE OF THE CONTRACT FOR SALE

You undertake to us personally that you will observe and comply with all your obligations and undertakings to the *Seller* under the *Contract for Sale* in respect of the *Lot*.

3 PAYMENT AND BUYER WARRANTIES

3.1 Unless agreed in writing between you and us or as otherwise set out in the *Notice to Bidders*, you must pay to us by not later than 4.30pm on the second working day following the *Sale*:

3.1.1 the *Purchase Price* for the *Lot*;

3.1.2 a *Buyer's Premium* in accordance with the rates set out in the *Notice to Bidders* on each lot, and

3.1.3 if the *Lot* is marked [AR], an *Additional Premium* which is calculated and payable in accordance with the *Notice to Bidders* together with *VAT* on that sum if applicable so that all sums due to us are cleared funds by the seventh working day after the *Sale*.

3.2 You must also pay us on demand any *Expenses* payable pursuant to this agreement.

3.3 All payments to us must be made in the currency in which the *Sale* was conducted, using, unless otherwise agreed by us in writing, one of the methods of payment set out in the *Notice to Bidders*. Our invoices will only be addressed to the registered *Bidder* unless the *Bidder* is acting as an agent for a named principal and we have approved that arrangement, in which case we will address the invoice to the principal.

3.4 Unless otherwise stated in this agreement all sums payable to us will be subject to *VAT* at the appropriate rate and *VAT* will be payable by you on all such sums.

3.5 We may deduct and retain for our own benefit from the monies paid by you to us the *Buyer's Premium*, the *Commission* payable by the *Seller* in respect of the *Lot*, any *Expenses* and *VAT* and any interest earned and/or incurred until payment to the *Seller*.

3.6 Time will be of the essence in relation to any payment payable to us. If you do not pay the *Purchase Price*, or any other sum due to us in accordance with this paragraph 3, we will have the rights set out in paragraph 7 below.

3.7 Where a number of *Lots* have been knocked down to you, any monies we receive from you will be applied firstly pro-rata to pay the *Purchase Price* of each *Lot* and secondly pro-rata to pay all amounts due to *Bonhams*.

3.8 You warrant that neither you nor - if you are a company, your directors, officers or your owner or their directors or shareholders - are an individual or an entity that is, or is owned or controlled by individuals or entities that are:

3.8.1 the subject of any sanctions administered or enforced by the U.S. Department of the Treasury's Office of Foreign Assets Control, the U.S. Departure of State, the United Nations Security Council, the European Union, His Majesty's Treasury, or other relevant sanctions authority ("Sanctions" and a "Sanctioned Party"); or

3.8.2 located, organised or resident in a country or territory that is, or whose government is, the subject of Sanctions, including without limitation, Iran, North Korea, Sudan, Russia, and Syria); and further

3.8.3 that the property you purchase will not be transferred to or used in a country in contravention of any Sanctions administered or enforced by the U.S, the United Nations Security Council, the European Union or His Majesty's Treasury or any other relevant Sanctions authority.

3.9 You warrant that the funds being used for your purchase have no link with criminal activity including without limitation money laundering, tax evasion or terrorist financing, and that you not under investigation for neither have been charged nor convicted in connection with any criminal activity.

3.10 Where you are acting as agent for another party ("your Principal"), you undertake and warrant that:

3.10.1 you have conducted suitable customer due diligence into your Principal under applicable Sanctions and Anti-Money Laundering laws and regulations;

3.10.2 your Principal is not a Sanctioned Party and not owned, partially owned or controlled by a Sanctioned Party, and you have no reason to suspect that your Principal has been charged or convicted with, money laundering, terrorism or other crimes;

3.10.3 funds used for your or your Principal's purchase are not connected with or derived from any criminal activity, including without limitation tax evasion, money laundering or terrorist financing;

3.10.4 items purchased by you and your Principal through Bonhams are not being transferred to or used in a country in contravention of any Sanctions administered or enforced by the U.S, the United Nations Security Council, the European Union or His Majesty's Treasury or any other relevant Sanctions authority, or purchased or to be used in any way connected with or to facilitate breaches of applicable Tax, Anti-Money Laundering or Anti-Terrorism laws and regulations; and

3.10.5 that you consent to *Bonhams* relying upon your customer due diligence, undertaking to retain records of your due diligence for at least 5 years and to make such due diligence records available for inspection by an independent auditor in the event we request you to do so.

3.11 We reserve the rights to make enquiries about any person transacting with us and to identify the source of any funds received from you. In the event we have not completed our investigations in respect of anti-terrorism financing, anti-money laundering or other financial and identity checks concerning either you or the *Seller*, to our satisfaction at our discretion, we shall be entitled to retain *Lots* and/or proceeds of *Sale*, postpone or cancel any sale and to take any other actions required or permitted under applicable law, without liability to you.

4 COLLECTION OF THE LOT

4.1 Subject to any power of the *Seller* or us to refuse to release the *Lot* to you, once you have paid to us, in cleared funds, everything due to the *Seller* and to us, and once we have completed our investigations under paragraph 3.11, we will release the *Lot* to you or as you may direct us in writing. The *Lot* will only be released on production of a buyer collection document, obtained from our cashier's office.

4.2 You must collect and remove the *Lot* at your own expense by the date and time specified in the *Notice to Bidders*, or if no date is specified, by 4.30pm on the seventh day after the *Sale*.

4.3 For the period referred to in paragraph 4.2, the *Lot* can be collected from the address referred to in the *Notice to Bidders* for collection on the days and times specified in the *Notice to Bidders*. Thereafter, the *Lot* may be removed elsewhere for storage and you must enquire from us as to when and where you can collect it, although this information will usually be set out in the *Notice to Bidders*.

4.4 If you have not collected the *Lot* by the date specified in the *Notice to Bidders*, you authorise us, acting in this instance as your agent and on your behalf, to enter into a contract (the "*Storage Contract*") with the *Storage Contractor* for the storage of the *Lot* on the then current standard terms and conditions agreed between *Bonhams* and the *Storage Contractor* (copies of which are available on request). If the *Lot* is stored at our premises storage fees at our current daily rates (currently a minimum of £3 plus *VAT* per *Lot* per day) will be payable from the expiry of the period referred to in paragraph 4.2. These storage fees form part of our *Expenses*.

4.5 Until you have paid the *Purchase Price* and any *Expenses* in full the *Lot* will either be held by us as agent on behalf of the *Seller* or held by the *Storage Contractor* as agent on behalf of the *Seller* and ourselves on the terms contained in the *Storage Contract*.

4.6 You undertake to comply with the terms of any *Storage Contract* and in particular to pay the charges (and all costs of moving the *Lot* into storage) due under any *Storage Contract*. You acknowledge and agree that you will not be able to collect the *Lot* from the *Storage Contractor's* premises until you have paid the *Purchase Price*, any *Expenses* and all charges due under the *Storage Contract*.

4.7 You will be wholly responsible for packing, handling and transport of the *Lot* on collection and for complying with all import or export regulations in connection with the *Lot*.

4.8 You will be wholly responsible for any removal, storage, or other charges for any *Lot* not removed in accordance with paragraph 4.2, payable at our current rates, and any *Expenses* we incur (including any charges due under the *Storage Contract*), all of which must be paid by you on demand and in any event before any collection of the *Lot* by you or on your behalf.

5 STORING THE LOT

We agree to store the *Lot* until the earlier of your removal of the *Lot* or until the time and date set out in the *Notice to Bidders,* on the Sale Information Page or at the back of the catalogue (or if no date is specified, by 4.30pm on the seventh day after the *Sale*) and, subject to paragraphs 3, 6 and 10, to be responsible as *bailee* to you for damage to or the loss or destruction of the *Lot* (notwithstanding that it is not your property before payment

of the *Purchase Price*). If you do not collect the *Lot* before the time and date set out in the *Notice to Bidders* (or if no date is specified, by 4.30pm on the seventh day after the *Sale*) we may remove the *Lot* to another location, the details of which will usually be set out in the relevant section of the *Catalogue*. If you have not paid for the *Lot* in accordance with paragraph 3, and the *Lot* is moved to any third party's premises, the *Lot* will be held by such third party strictly to *Bonhams'* order and we will retain our lien over the *Lot* until we have been paid in full in accordance with paragraph 3.

6 RESPONSIBILITY FOR THE LOT

6.1 Title (ownership) in the *Lot* passes to you (i) on payment of the *Purchase Price* to us in full in cleared funds and (ii) when investigations have been completed to our satisfaction under paragraph 3.11.

6.2 Please note however, that under the *Contract for Sale*, **the risk in the *Lot* passes to you after 7 days from the day upon which it is knocked down to you or upon collection** of the *Lot* if earlier, and you are advised to obtain insurance in respect of the *Lot* as soon as possible after the *Sale*.

7 FAILURE TO PAY OR TO REMOVE THE LOT AND PART PAYMENTS

7.1 If all sums payable to us are not so paid in full at the time they are due and/or the *Lot* is not removed in accordance with this agreement, we will (without further notice to you unless otherwise provided below), be entitled to exercise one or more of the following rights (without prejudice to any rights we may exercise on behalf of the *Seller*):

7.1.1 to terminate this agreement immediately for your breach of contract;

7.1.2 to retain possession of the *Lot*;

7.1.3 to remove, and/or store the *Lot* at your expense;

7.1.4 to take legal proceedings against you for payment of any sums payable to us by you (including the *Purchase Price*) and/or damages for breach of contract;

7.1.5 to be paid interest on any monies due to us (after as well as before judgement or order) at the annual rate of 5% per annum above the base lending rate of National Westminster Bank Plc from time to time to be calculated on a daily basis from the date upon which such monies become payable until the date of actual payment;

7.1.6 to repossess the *Lot* (or any part thereof) which has not become your property, and for this purpose (unless you buy the *Lot* as a *Consumer*) you hereby grant an irrevocable licence to us, by ourselves, our servants or agents, to enter upon all or any of your premises (with or without vehicles) during normal business hours to take possession of any *Lot* or part thereof;

7.1.7 to sell the *Lot Without Reserve* by auction, private treaty or any other means on giving you three months' written notice of our intention to do so;

7.1.8 to retain possession of any of your other property in our possession for any purpose (including, without limitation, other goods sold to you or with us for *Sale*) until all sums due to us have been paid in full;

7.1.9 to apply any monies received from you for any purpose whether at the time of your default or at any time thereafter in payment or part payment of any sums due to us by you under this agreement;

7.1.10 on three months' written notice to sell, *Without Reserve*, any of your other property in our possession or under our control for any purpose (including other goods sold to you or with us for *Sale*) and to apply any monies due to you as a result of such *Sale* in payment or part payment of any amounts owed to us;

7.1.11 refuse to allow you to register for a future *Sale* or to reject a bid from you at any future *Sale* or to require you to pay a deposit before any bid is accepted by us at any future *Sale* in which case we will be entitled to apply such deposit in payment or part payment, as the case may be, of the *Purchase Price* of any *Lot* of which you are the *Buyer*.

7.1.12 having made reasonable efforts to inform you, to release your name and address to the *Seller*, so they might take appropriate steps to recover the amounts due and legal costs associated with such steps.

7.2 You agree to indemnify us against all legal and other costs, all losses and all other *Expenses* (whether or not court proceedings will have been issued) incurred by us as a result of our taking steps under this paragraph 7 on a full indemnity basis together with interest thereon (after as well as before judgement or order) at the rate specified in paragraph 7.1.5 from the date upon which we become liable to pay the same until payment by you.

7.3 If you pay us only part of the sums due to us such payment shall be applied firstly to the *Purchase Price* of the *Lot* (or where you have purchased more than one *Lot* pro-rata towards the *Purchase Price* of each *Lot*) and secondly to the *Buyer*'s *Premium* (or where you have purchased more than one *Lot* pro-rata to the *Buyer*'s *Premium* on each *Lot*) and thirdly to any other sums due to us.

7.4 We will account to you in respect of any balance we hold remaining from any monies received by us in respect of any *Sale* of the *Lot* under our rights under this paragraph 7 after the payment of all sums due to us and/or the *Seller* within 28 days of receipt by us of all such sums paid to us.

8 CLAIMS BY OTHER PERSONS IN RESPECT OF THE LOT

8.1 Whenever it becomes apparent to us that the *Lot* is the subject of a claim by someone other than you and other than the *Seller* (or that such a claim can reasonably be expected to be made), we may, at our absolute discretion, deal with the *Lot* in any manner which appears to us to recognise the legitimate interests of ourselves and the other parties involved and lawfully to protect our position and our legitimate interests. Without prejudice to the generality of the discretion and by way of example, we may:

8.1.1 retain the *Lot* to investigate any question raised or reasonably expected by us to be raised in relation to the *Lot*; and/or

8.1.2 deliver the *Lot* to a person other than you; and/or

8.1.3 commence interpleader proceedings or seek any other order of any court, mediator, arbitrator or government body; and/or

8.1.4 require an indemnity and/or security from you in return for pursuing a course of action agreed to by you.

8.2 The discretion referred to in paragraph 8.1:

8.2.1 may be exercised at any time during which we have actual or constructive possession of the *Lot*, or at any time after such possession, where the cessation of such possession has occurred by reason of any decision, order or ruling of any court, mediator, arbitrator or government body; and

8.2.2 will not be exercised unless we believe that there exists a serious prospect of a good arguable case in favour of the claim.

9 FORGERIES

9.1 We undertake a personal responsibility for any *Forgery* in accordance with the terms of this paragraph 9.

9.2 Paragraph 9 applies only if:

9.2.1 your name appears as the named person to whom the original invoice was made out by us in respect of the *Lot* and that invoice has been paid; and

9.2.2 you notify us in writing as soon as reasonably practicable after you have become aware that the *Lot* is or may be a *Forgery*, and in any event within one year after the *Sale*, that the *Lot* is a *Forgery*; and

9.2.3 within one month after such notification has been given, you return the *Lot* to us in the same condition as it was at the time of the *Sale*, accompanied by written evidence that the *Lot* is a *Forgery* and details of the *Sale* and *Lot* number sufficient to identify the *Lot*.

9.3 Paragraph 9 will not apply in respect of a *Forgery* if:

9.3.1 the *Entry* in relation to the *Lot* contained in the *Catalogue* reflected the then accepted general opinion of scholars and experts or fairly indicated that there was a conflict of such opinion or reflected the then current opinion of an expert acknowledged to be a leading expert in the relevant field; or

9.3.2 it can be established that the *Lot* is a *Forgery* only by means of a process not generally accepted for use until after the date on which the *Catalogue* was published or by means of a process which it was unreasonable in all the circumstances for us to have employed.

9.4 You authorise us to carry out such processes and tests on the *Lot* as we in our absolute discretion consider necessary to satisfy ourselves that the *Lot* is or is not a *Forgery*.

9.5 If we are satisfied that a *Lot* is a *Forgery* we will (as principal) purchase the *Lot* from you and you will transfer the title to the *Lot* in question to us, with full title guarantee, free from any liens, charges, encumbrances and adverse claims, in accordance with the provisions of Sections 12(1) and 12(2) of the Sale of Goods Act 1979 and we will pay to you an amount equal to the sum of the *Purchase Price*, *Buyer's Premium*, *VAT* and *Expenses* paid by you in respect of the *Lot*.

9.6 The benefit of paragraph 9 is personal to, and incapable of assignment by, you.

9.7 If you sell or otherwise dispose of your interest in the *Lot*, all rights and benefits under this paragraph 9 will cease.

9.8 Paragraph 9 does not apply to a *Lot* made up of or including a Chinese painting or Chinese paintings, a motor vehicle or motor vehicles, a *Stamp* or *Stamps* or a *Book* or *Books*.

10 OUR LIABILITY

10.1 We will not be liable whether in negligence, other tort, breach of contract or statutory duty or in restitution or under the Misrepresentation Act 1967 or in any other way for lack of conformity with or any inaccuracy, error, misdescription or omission in any *Description* of the *Lot* or any *Entry* or *Estimate* in respect of it, made by us or on our behalf or by or on behalf of the *Seller* (whether made in writing, including in the *Catalogue*, or on the *Bonhams' Website*, or orally, or by conduct or otherwise) and whether made before or after this agreement or prior to or during the *Sale*.

10.2 Our duty to you while the *Lot* is at your risk and/or your property and in our custody and/or control is to exercise reasonable care in relation to it, but we will not be responsible for damage to the *Lot* or to other persons or things caused by:

10.2.1 handling the *Lot* if it was affected at the time of *Sale* to you by woodworm and any damage is caused as a result of it being affected by woodworm; or

10.2.2 changes in atmospheric pressure; nor will we be liable for:

10.2.3 damage to tension stringed musical instruments; or

10.2.4 damage to gilded picture frames, plaster picture frames or picture frame glass; and if the *Lot* is or becomes dangerous, we may dispose of it without notice to you in advance in any manner we think fit and we will be under no liability to you for doing so.

10.3.1 We will not be liable to you for any loss of *Business, Business* profits, revenue or income or for loss of *Business* reputation or for disruption to *Business* or wasted time on the part of the *Buyer's* management or staff or, if you are buying the *Lot* in the course of a *Business*, for any indirect losses or consequential damages of any kind, irrespective in any case of the nature, volume or source of the loss or damage alleged to be suffered, and irrespective of whether the said loss or damage is caused by or claimed in respect of any negligence, other tort, breach of contract, statutory duty, bailee's duty, a restitutionary claim or otherwise.

10.3.2 Unless you buy the *Lot* as a *Consumer*, in any circumstances where we are liable to you in respect of a *Lot*, or any act, omission, statement, representation in respect of it, or this agreement or its performance, and whether in damages, for an indemnity or contribution or for a restitutionary remedy or in any way whatsoever, our liability will be limited to payment of a sum which will not exceed by way of maximum the amount of the *Purchase Price* of the *Lot* plus *Buyer's Premium* (less any sum you may be entitled to recover from the *Seller*) irrespective in any case of the nature, volume or source of any loss or damage alleged to be suffered or sum claimed as due, and irrespective of whether the liability arises from negligence, other tort, breach of contract, statutory duty, bailee's duty, a restitutionary claim or otherwise.

You may wish to protect yourself against loss by obtaining insurance.

10.4 Nothing set out above will be construed as excluding or restricting (whether directly or indirectly) any person's liability or excluding or restricting any person's rights or remedies in respect of (i) fraud, or (ii) death or personal injury caused by our negligence (or any person under our control or for whom we are legally responsible), or (iii) acts or omissions for which we are liable under the Occupiers Liability Act 1957, or (iv) any other liability to the extent the same may not be excluded or restricted as a matter of law, or (v) under our undertaking in paragraph 9 of these conditions.

it can be established that the *Lot* is a non-conforming *Lot* only by means of a process not generally accepted for use until after the date on which the *Catalogue* was published or by means of a process which it was unreasonable in all the circumstances for us to have employed; or

the *Lot* comprises atlases, maps, autographs, manuscripts, extra illustrated books, music or periodical publications; or

the *Lot* was listed in the *Catalogue* under "collections" or "collections and various" or the *Lot* was stated in the *Catalogue* to comprise or contain a collection, issue or *Books* which are undescribed or the missing text or illustrations are referred to or the relevant parts of the *Book* contain blanks, half titles or advertisements.

If we are reasonably satisfied that a *Lot* is a non- conforming *Lot*, we will (as principal) purchase the *Lot* from you and you will transfer the title to the *Lot* in question to us, with full title guarantee, free from any liens, charges, encumbrances and adverse claims and we will pay to you an amount equal to the sum of the *Purchase Price* and *Buyer's Premium* paid by you in respect of the *Lot*.

The benefit of paragraph 10 is personal to, and incapable of assignment by, you and if you sell or otherwise dispose of your interest in the *Lot*, all rights and benefits under this paragraph will cease.

This paragraph does not apply to the obligations imposed on you by paragraph 3.

12.4 Any notice or other communication to be given under this agreement must be in writing and may be delivered by hand or sent by first class post or air mail or fax transmission (if to *Bonhams* marked for the attention of the Company Secretary), to the address or fax number of the relevant party given in the *Contract Form* (unless notice of any change of address is given in writing). It is the responsibility of the sender of the notice or communication to ensure that it is received in a legible form within any applicable time period.

12.7 The headings used in this agreement are for convenience only and will not affect its interpretation.
